

**Database on
Culture and Transmission in the African World
(DCTAW)**

<http://www.DCTAW.org>

In collaboration with the Institute of African Studies of the University of Ghana, the DCTAW project based at the African World Studies Institute at Fort Valley State University, Georgia, USA, is currently indexing and abstracting the *Research Review*, including all back issues and supplements. Readers are invited to visit the database through the above site, for

- Searchable Index to all past issues of the *Research Review*
- Abstracts of articles in all past issues
- Information on other journals of interest
