

12-7-05 @ UAW Hall 11:30 AM

Lue C. Sudduth 35 years.

11-17-54 Seniority Date hired paint sealer
hourly / supervision / hourly
Body / Paint / Trim 27 years to Paint Dept.
Was able to do a job right away
Well liked.

Paint Efficiency testing

Many women on sealer line when hired in.

Not many blacks hired. Most hired in the
wet deck area. ~~one~~ 1st or second black supervisor

6 months supervision. - sealer room

No to many pranks / jokes

Some people would drink at lunch however he
didn't do that during work.

Difference - 3 weeks on / ^{day} nights off - swing shift
went to straight shift

Family life was not affected to much

Day shift 6:13^{am} - 3:10 a lot of overtime.

Paint mix 4:18 am a lot of overtime plus weekends.

Tank 5000 gal sent thru wall to mix tank
to running tank.

Talked to people from Australia to find out
about the paint.

Dinner - Thanksgiving, X-mas

Was given a surprise birthday party '57th
Go anywhere in plant and fix the hoses

Laid off - 4 months

Strike - off 4 months

Paint mix - Preferred Job

Race/gender - up^s and down's

Relief - bathroom breaks.

Jobs in Paint - spray each other with paint.

Spray around doors & windshield

Change color of hose to each diff color car.

Robot's

Fisher Body name change - didn't pay attention

School 1 day/month -- A lot of training

Used ~~ether~~ Ether in paint, Scott Pack

used for air

Sparks would start fires.

Best memory - Birthday Party.

Bible study during lunch time.

Treat people the way you want to be treated

Family members working for G.M. - Son.

Free time - took a nap, made beds in plant

Outside interests - church,

Benefits - Holiday pay, Vacation Pay, Personal Pay
