M2CP Introduction

Part I: From English Meaning to Chinese Characters

In this part, you will see some English meanings. For each English meaning, you will complete a Production Task and a Recognition Task.

In the **Production** Task, you will **produce** the characters and the pinyin for the English meaning.
In the **Recognition** Task, you will **choose** the characters and the pinyin for the English meaning from several options.
In both tasks, you will **NOT** be able to go back to a previous question.

Next you will see the detailed instructions for both tasks and practise with one English meaning.
During the practice, please make sure that you **UNDERSTAND** the detailed instructions **COMPLETELY**, because these detailed instructions will **NOT** appear in the real tasks.

If you have any questions, please ask the researcher.
If not, please click the  button to start the practice.
