Rutgers One-Week Turf Course:

The Rutgers One-Week Short Course in Turf Management will be held at Rutgers University, New Brunswick, N.J. on February 13-17, 1956. Our good friend Ralph E. Engel has arranged a very interesting and instructive program for the week, so all members of the N.J.G.S.A. are urged to be present and support your own state's Turf Program. You will find it well worth your time.

The Annual Banquet will be held on Thursday evening, February 16 at 6:00 P.M. at the Roger Smith Hotel. Why not plan to attend, for you know what a good time we always have at this affair.

Meeting Notice:

A regular meeting of the N.J. Golf Course Superintendents' Association will be held on Thursday, February 16 at Rutgers, immediately following the afternoon session of that day.

The meeting will be devoted entirely to business of the Association and, as you all know, we have plenty to discuss and plans to be made for the forthcoming year. We urge you all to be present and bring with you some constructive suggestions for the improvement of your Association.

A very short meeting of the Board of Directors will be held prior to the regular meeting.

Heard at The Nineteenth Hole:

New Jersey is being represented at the National Convention in California by Jack Ormond of Canoe Brook Country Club, Joe Stemmle of Springdale Country Club and Al Radko of the U. S. Golf Assn., Green Section.
