JUNE 1954

MEETING NOTICE

The June meeting of the New Jersey Golf Course Superintendents Association will be held at the Ridgewood Country Club, Paramus, N.J., on Tuesday, June 22.

Our hosts for the day will be Supt. William Sweisberger and his able assistant Robert Kapher.

Be sure to bring your clubs along and arrive early as there is an important tournament scheduled for the afternoon.

This is our annual Superintendent-Greens Chairman meeting and it would be wonderful to see this meeting grow each year just as our Superintendent-Pro event has. If your chairman is unable to attend please make an effort to have some other member of your Greens Committee or club with you.

Dinner will be served at 6:30 P.M., which will be followed by our educational program. We are very fortunate at this meeting to have as guest speaker our good friend O.J. Noer of Milwaukee Sewerage Commission. You can be sure of an informative and interesting evening with O.J. Noer.

We will be looking forward to seeing you on Tuesday, June 22, at Ridgewood C.C.

GOLF TOURNAMENT

The June meeting will feature a tournament of club chairmen or club officials and Superintendents. A large cup, to be kept on exhibit by the winning club, is the prize with two smaller cups for the team members to keep. The cup is now in the possession of Benny Dziedzic and the Crestmont Country Club.

Every club should be represented with a team. If your chairman cannot make the date, any other club official can double for him. If you cannot get to the club early enough for golf, bring your chairman or club official anyway to hear O.J. Noer.

Don't forget, - Golf starts at 12:00 noon.....Let's have a good turnout.

Practice now and beat the Philadelphia Association in July at Trenton.

GOLF HOUSE AND AN INVITATION TO EXHIBIT

Warren Bidwell of Seaview Country Club has been appointed by President Johnson of the National Association to head up a committee for the Superintendents exhibit in the Golf House Museum of Golf.

Any tool which might be of ancient vintage and which has helped to make golf the game it is today will be appreciated. Each individual tool will be labeled and the club or manufacturer will be properly credited.

If you have any item of interest, please contact Mr. Bidwell as soon as possible. This is important. It will serve to give the Superintendents recognition as the people who are responsible for modern golf.

FOR YOUR INFORMATION

We have been informed by Ed Casey that your 1954 National membership card or your 1954 New Jersey Golf Course Superintendents Association card will admit you to the National Open that is to be held at Baltusrol Golf Club on June 17, 18 & 19.
