

THE GREEN SHEET

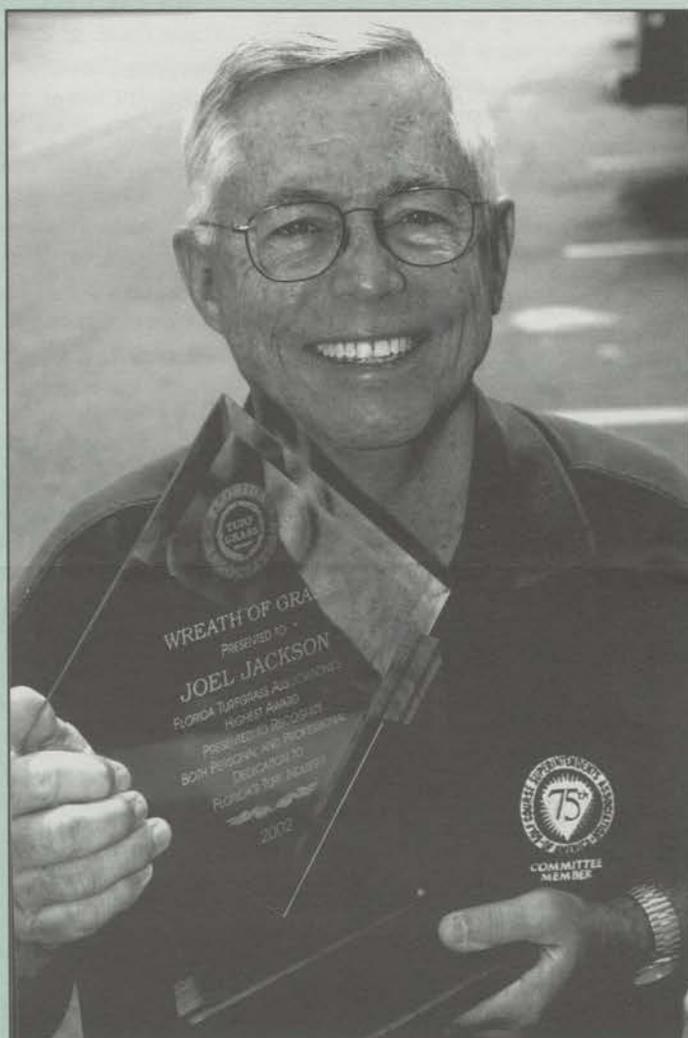

VOLUME XIX, PART 6, NOVEMBER/DECEMBER 2002

NEWSLETTER OF THE FLORIDA GOLF COURSE SUPERINTENDENTS ASSOCIATION

UPCOMING EVENTS

- Nov. 5 West Coast chapter meeting, Rogers Park
- Nov. 6 Everglades GCSA chapter meeting, Quail West
- Nov. 7 Treasure Coast night meeting - Harbour Ridge. "Dealing with Environmental Activists" by Drs. Tom Morgan and Michael Coffman
- Nov. 7 South Florida GCSA golf outing, Oak Tree CC
- Nov. 8 11th Annual LCCC Endowment, Raptor Bay GC
- Nov. 8 Suncoast sponsored Grounds Seminar, Selby Gardens, Sarasota. See page 4.
- Nov. 12 USGA Regional Conference, Jacksonville. Pg. 4.
- Nov. 14 USGA Regional Conference, Palm Beach Marriott
- Nov. 19 Calusa GCSA PDI seminar, Edison CC. See pg 4.
- Dec. 5 North Florida GCSA Christmas Tournament, Ponte Vedra Club
- Dec. 6 Treasure Coast Christmas Party, Gator Trace GC
- Dec. 6 Suncoast GCSA Christmas Party, Gasparilla Inn - 7 Patry, Gasparilla Inn
- Dec. 7 Palm Beach GCSA Christmas Party, Singer Island
- Dec. 14 SFGCSA Christmas Party, The Club-Emerald Hills
- Dec. 13 Everglades Christmas Tournament, The Colony
- Feb.9-15 GCSAA Conference & Show, Atlanta
- Feb. 13 Florida Reception, Marriott Marquis Hotel, Atlanta
Audubon Workshops (See page 7):
 - Dec. 2 Pelican Sound GC, Estero River Course
 - Dec. 3 Mizner CC, Delray Beach
 - Dec. 5 Champions Gate Golf Resort, Davenport
 - Dec. 6 Sugarmill Woods CC, Homosassa

FGCSA Director of Communications Joel Jackson was named the recipient of the 2002 FTGA Wreath of Grass Award at the Conference & Show in Tampa. Tom Alex roasted Jackson in the presentation speech.

FTGA Regional Turf Conferences (see page 5):

- Jan. 14 Southeast Florida (Lake Worth)
- Jan. 15 Dade/Broward (Pro Player Stadium)
- Jan. 16 Southwest Florida (Fort Myers)
- Jan. 21 Tampa (St. Lawrence Parrish/Higgins Hall)
- Jan. 23 Mid-Florida (Orlando)
- Jan. 29 North Florida (Duval Extension Office)
- Jan. 31 Gulf Coast (Milton Extension Office)

President's Message David Court, CGCS

I love it when a plan comes together. We are a little ahead of schedule for the ACSP workshops that will be coming up in early December. I would like to thank Shelly Foy for all the work she has done putting these workshops together. I would also like to thank the host clubs and the Superintendents for allowing us into their clubs for the day of education. Brochures should be in the mail soon and I hope attendance will be great. If for some reason you can't attend, please send anyone who is interested and who will be helping you work toward certification.

Since the last newsletter, I have had conversations and letters from WCI, IGM, TPC and representatives from Toll Brothers Developments. One thing these four groups have in common is that all of their facilities are either certified or are on their way to completing the process. I hope to accomplish that one day soon myself.

Congratulation to our ASCP member courses that were recently certified: IGM-Arrowhead Golf Club at Heritage Greens, Naples and Mizner Country Club, Delray Beach. Courses, which were re-certified include Bonita Bay's Bay Island, Creekside

and Marsh Courses, Bonita Springs; Country Club of Florida, Village of Golf and Olde Florida Golf Club, Naples. WCI's Raptor Bay Golf Club in Bonita Springs is a recent Certified Signature Sanctuary and their new Hammock Bay Golf Club is in the Signature Sanctuary program. The Club at Mediterra - South Course is a Re-certified Signature Sanctuary. Way to Go! Welcome to the newest ACSP member courses Crane Lakes G.C. in Port Orange; Palm Cove Golf & Yacht Club, Palm City; Sawgrass Country Club, Ponte Vedra Beach and Golf Club of the Everglades, Naples.

Another program, which is moving forward, is our spokesperson training workshops that are offered to the chapter board of directors. Dr. Tom Morgan will be teaching these workshops and at this time two chapters have signed up for the eight-hour program. Our goal is to have all chapters receive this training over the next 4 years.

November 1st, 2nd, 3rd are the dates for the GCSAA Chapter Delegates Meeting. Your local chapter representatives will have three full days of information and travel ahead of them. This is by no means a vacation. This session's hot topic should be the implementation of the PDI program, presentation on why GCSAA needs a dues increase of 20% and an overview of all the departmental programs that GCSAA has to

David Court, CGCS

offer. The delegates also have the opportunity to meet the candidates for the upcoming election. Your representative will come back full of knowledge from the GCSAA and will present this information at your next chapter meeting. This will be a good reason for all members to attend their local meetings.

I would like to offer my congratulations to the FTGA and the fine job that they did at the Conference and Show in Tampa. Those who attended were treated to good education and camaraderie. At the annual luncheon, Tom Alex had the distinguished pleasure of introducing (roasting) this year's Wreath of Grass Award Winner Joel Jackson. Joel, sitting next to me at the table was completely surprised. All of his diligence and hard work as a superintendent, writer, editor, communicator and friend to many has been recognized. Congratulations!

We are always striving to find ways to improve our award-winning magazine, The Florida Green. Recently, a new chapter roundup section has been added which will update us all on your chapter events, fundraisers, educational programs, holiday parties or individual member accomplishments such as newly certified (CGCS or ACSP). We also are looking for writers for articles as well as "Hands On" articles. The Florida Green does pay \$100.00 per page and \$50.00 for one to three pictures. The preferred method of submission is via e-mail. The "Hands On" topics for upcoming issues are:

All material submitted for printing will be edited at the discretion of the editor. Material must be typed or clearly printed. Photos are encouraged. Items must be for the good of the association.

Deadline next issue: January 15.

What's Up D.O.C.?

by Joel Jackson

1. Government Relations: Methyl Bromide Update - GCSAA did in fact submit a Critical Use Exemption application to the EPA as reported in the last issue. In the meantime at the state level, Matt Taylor, GCS at the Royal Poinciana Club and Wiley McCall, President of Emerald Island Turf flew to Tallahassee on September 16th and met with staffers from Agriculture Commissioner's Office. The purpose was to get sod production and golf course planting fumigation covered by an existing Methyl Bromide exemption that deals with nursery stock and transported plant material under quarantine concerns. Several other southern states already have this and Florida is hopping on the band wagon. Let's hope their efforts will be successful to preserve the limited use of MeBr by the turf industry. (Note: In Sunday's Orlando Sentinel in the Science section there was an article about how the hole in the ozone layer is healing and is expected to close up in 50 years. So much for ozone depletion!)

2. Public Relations: Hats off to the Everglades GCSA for their partnership with the Corkscrew Regional Ecosystem Watershed (CREW)- Land and Water Trust. The EGCSA hosted a tournament on October 5th at Bonita Bay East to help raise funds for environmental education aimed at school kids and the general public. Ellen Lindblad, Executive Director told me the education wouldn't be "ANTI" anything, but rather to show how we all need to co-exist with our natural resources. Several general CREW members and supporters visited our FGCSA display and we exchanged praiseworthy comments on the benefits of working together instead of in conflict. It was a real good example of golf reaching out to the "environmentalist" groups and developing trust and a working relationship.

3. Media Relations: I had a nice long chat with Ed Travis, Editor of Florida Golf News, concerning the lingering water resource issues. He was interested in learning more about horizontal wells. He had heard about them at the Reunion project in Polk County just across I-4 from Champi-

ons Gate. I shared the Tom Trammel experience with the horizontal wells at Hawk's Nest and discussed other alternative water sources with him. We also talked about the rise of seashore paspalum and the ability to use saltier water. I signed Ed up for a comp subscription to the Florida Green and sent him some back issues. He has run several of my letters to the editor addressing similar issues to get to some facts to the everyday golfer.

I also had a call a few weeks ago from Eric Bartels of the Golf Channel. He was looking for some support for the coverage of the Senior version of the Ryder Cup, the Warbaugh(sp) Cup to be held in Sea Island Georgia. I hooked him up with the Georgia GCSA. I took the opportunity to also mention the idea that they pursue some 30 second to 1 minute spots to run in breaks in the action or even longer clips on course preparation and maintenance activities leading up to the various tournaments. I was just opening the door on the idea. Turns out the next week I see where there will be film clip on the prepping for the US Open at Bethpage Page Black. Progress comes in small steps.

4. Education: USGA Regional Conferences - In a shift from Spring to Fall, the USGA Regional Conferences will be held November 12th in Jacksonville and November 14th in Palm Beach Gardens. You should have received your registration brochures by the time you get this Green Sheet. The folks at the USGA always put on a good show. I'm looking forward to catching one of them myself.

Audubon Cooperative Sanctuary Workshops - I am trying to reach as many people as possible with announcements, emails, articles, etc to get folks out to these workshops during the first week of December.

All materials will be provided and if you attend:

1. New members of the ACSP will be walked through the Site Inventory part of the registration forms.

2. Current ACSP members will be walked through the Environmental Planning section of the Certification Handbook.

3. Current Certified ACSP members will be walked through the new forms for

re-certification that changed since 1999. The Audubon Cooperative Sanctuary Program is the most proactive, voluntary, recognized and effective way to demonstrate your golf course's commitment to being environmentally friendly. Just Do It!

Scheduled Audubon Workshops:

Monday, December 2nd - Pelican Sound Estero River Course, Estero

Tuesday, December 3rd - Mizner C.C., Delray Beach

Thursday, December 5th - Champions Gate Resort, Davenport

Friday, December 6th - SugarMill Woods CC, Homosassa Springs

West Coast GCSA - I was happy to see Scott Woodhead as the guest speaker at the 39th Annual Bud Quandt Tournament last Monday, October 7th at the Pasadena Y&CC for two reasons. First it marked the second time I know of this year that a FGCSA chapter had taken advantage of having GCSAA Board or Staff members come speak at a chapter function. They are a great resource for speakers for those hard to fill monthly meeting agendas, and second it is great to see a veteran superintendent working at headquarters to bring that real world flavor to the inner circle of the association staff. I have nothing but praise for my dealings with the GCSAA staff. They are helpful and hardworking. It's just a plus to have a former superintendent there on a permanent basis to help put things into perspective. Good luck Scott!

.....Continuation of Presidents Message

Winter - Pest Control Programs: Grubs, Mole Crickets and Nematodes - Deadline Nov. 15, 2002.

Spring - Managing Putting Green Surface - Program and Equipment - Deadline -February 15, 2003.

Writers start your pens, or in this case, your computers.

Finally this issue of the Green Sheet will be out for November and December at the beginning of our holiday season. I would like to wish everyone and their families the Happiest of Holidays and a Happy and prosperous New Year.

Calusa Offers PDI Seminar

The Calusa GCSA has invited any interested FGCSA superintendents to attend a free seminar on "Understanding PDI". Hannes Combest, popular speaker from the GCSAA staff, will be doing a Hands-On presentation to help attendees learn how to do their own "score cards" in preparation for the PDI program. The Class A Code of Standards will also be reviewed. Last month, all non-certified Class A, B, and C members received a mailing from GCSAA detailing how the PDI will affect them upon its implementation July, 2003. Superintendents are encouraged to bring this "transcript" with them to this meeting for further clarification.

The free seminar will be held at the Edison Community College, 8099 College Parkway, Fort Myers, from 10:00 a.m. to noon. Pre-registration is not necessary but for further information, contact Calusa GCSA Secretary, Samantha Kreisch at 239-466-6169.

USGA Regional Conferences

If you think you have already missed the USGA Regional Conference, think again. The USGA has switched from an early spring time slot as in prior years to -- what is hoped to be -- a more convenient time, late fall.

Dates and locations are Tuesday, November 12th at the Jacksonville Marriott and Thursday, November 14th at the Palm Beach Gardens Marriott. Both sessions begin with a 7:00 registration including coffee and danish with the first speaker beginning at 8:00 a.m.

Speakers and topics for this year's Conferences are:

- * Environmental Implications of Arsenical Herbicide Use, Leslie Smith, Florida DEP
- * Overseeding, Todd Lowe, USGA
- * Audubon Cooperative Sancturary System, Ron Dodson
- * Pest and Disease Sampling, Lee Bloomcamp, Syngenta
- * The Greatest Player Who Never Lived, Mike Veron, USGA
- * Irrigation System Evaluation and Long Range Planning: Renovation versus Replacement, Jim Schumacher
- * Understanding Uniformity and Maintaining Optimum Sprinkler Performance, Mike Huck
- * Future Water Supplies for Golf Courses, Tom Missimer

Programs have been mailed to all FGCSA members. Re-certification credits for GCSAA have been applied for as well as pesticide credit from the State of Florida. For further information and late registration, please contact Shelly Foy, USGA, at 561-546-2620.

West Coast GCSA President Jim Sharpe welcomes guest speaker GCSAA Director of Membership Scott Woodhead to the 39th Annual Bud Quandt tournament.

Suncoast Chapter Brings Dr. James Beard to Sarasota for All-Day Seminar

Dr. James Beard, the nationally recognized dean of researchers on golf courses will be the featured speaker at a seminar for golf course maintenance professionals in Sarasota Friday, November 8. Dr. Beard will give in-depth presentations on management of the newer bermudagrasses and water management, both topics of prime interest to superintendents and their staffs.

The all-day seminar will be held in the education center at Selby Botanical Gardens on beautiful Sarasota Bay. It is sponsored jointly by the Sarasota County Extension Service and the Suncoast Golf Course Superintendent's Association.

Other speakers include Dr. Ed Gilman of the University of Florida who will discuss proper care of trees on golf courses; Dr. Lee Berndt, head of the golf course operations instructional program at Edison College who will present "Pest Management to Enhance Water Quality" and Scott Montgomery, Emergency Medical Specialist who will provide practical information on Dealing with Medical Emergencies on the Golf Course.

The cost for the program with advanced registration is \$50 which includes a notebook with all speaker handouts, continental breakfast, and catered lunch. PDU's and CEU's will be awarded by GCSAA. Registration information may be requested by emailing Michael Holsinger at Sarasota Co. Extension at: mjhr@mail.ifas.ufl.edu. You may contact him at (941) 316-1000.

*South Florida Chapter Wins FTGA Team Golf Championship.

South Florida Chapter Wins Team Event

Florida Turfgrass Assn. Announces Dates for 2003 Regional Turf Conferences

The Florida Turfgrass Association has announced its schedule for the 2003 Regional Turf Conferences:

- Jan. 14 Southeast Florida (Lake Worth)
- Jan. 15 Dade/Broward (Pro Players)
- Jan. 16 Southwest (Fort Myers)
- Jan. 21 Tampa (St. Lawrence Parrish)
- Jan. 23 Mid-Florida (Orlando)
- Jan. 29 North Florida (Duval Ext.)
- Jan. 31 Gulf Coast (Milton Ext.)

These popular all day conferences are designed to meet the educational needs of the entire turf industry. They offer CEU's for Restricted Pesticide License holders and have been very well received in past years. The FTGA is expecting over 1,500 at these conferences. Topics include irrigation practices, nematode management, turf insects, and safety and regulatory issues.

Sponsors are being solicited to help with the costs of these Turf Conferences. Please call the FTGA office at 1-800-882-6721 to receive a Sponsorship Form.

Treasure Coast GCSA Blue Pearl Tournament Nets \$15,500

Loxahatchee Club proved to be a great setting for the September 23rd Blue Pearl Tournament sponsored by the Treasure Coast GCSA. Superintendent Mark Heater did a great job helping to organize this wonderful event.

Nucrane Machinery was the presenting sponsor once again. The tee gifts which consisted of a windbreaker vest and hat were donated by Syngenta Corp. and Liquid Ag. Hector Turf supplied the sleeve of golf balls. The Treasure Coast chapter thanks all of our sponsors for your generous support in making this event a great success.

First Gross Team Championship went to Roy MacDonald, Mark Henderson, Gary Fischer and Roy Kimberly. The First Net Team Winners were Fred Hinkle, Jason Riley, Mike Neary and Tim Cann. Closest to the Pin winners were Roy Kimberly, Steve Bernard, Ken Glover, and Blake Parrish. Longest Drive was taken by Dave Price. Congratulations to all golfers.

The Palm Beach Chapter's bid for a 3-peat was not to be as a strong South Florida team won the event by 13 shots over the closest challenger, Central Florida, in the 7th Annual FGCSA Golf Championship at the Southern Dunes G. C. in Haines City on September 28th.

The South Florida team drove up a day early to play a practice round and it obviously paid off as all members of the team shot scores in the 70's to crush the opposition. Led by Bob Harper's low individual round of 70 and Jim Torba's 73, Seth Strickland's 74 and Joe Pantaleo and Kelly Cragin's 78s proved too strong for the rest of the field.

Harper has won two of the three qualifying events for the Florida Golf Team at the GCSAA Championship. His teammates at Hilton Head, SC in February 2003 will be Mark Henderson, winner of the Crowfoot Open and Steve Bernard and Tyler Warner who have the lowest scoring averages in two out of three of the events.

The Treasure Coast Team won the Low Net Division. The team consisted of Tim Cann (86), Jim Colo (88), Steve Fink (78) Kevin Downing (77) and Roy MacDonald (74).

Low individual scores included Jim Torba in second place with his 73 and Roy McDonald taking 3rd with a 74. Host superintendent Scott Scamerhorn also had a 74 which took Low Net honors with a 69 followed by Kevin Downing's 70 and Kevin Rotti also with a 70.

The course was in excellent condition thanks to Scott and his staff. Special thanks also to Golf Professional Kevin Woodward and his Golf Operations staff for their help with the event.

2003 FGCSA Directory

The 2003 FGCSA Membership Directory will be mailed to all FGCSA members in late November. Please call the office at 800-732-6053 or e-mail us at fgcsa123@bellsouth.net if your listing is incorrect.

2002-2003 OFFICERS FOR ALL FGCSA CHAPTERS

FLORIDA GCSA:

President David Court, CGCS, Boca Lago CC, Palm Beach chapter
Vice President Greg Pheneger, Johns Island Club, Treasure Coast chapter
Secretary/Treasurer ... Dale Walters, Royal Palm CC, Everglades chapter
Past President Geoff Coggan, CGCS, MG, The Great Outdoors, Central Florida chapter

LOCAL CHAPTER OFFICERS:

Calusa GCSA

President Ken Shakeshaft, Six Lakes CC
Vice President Greg Kriesch,
External V.P..... Roger Taylor, Kingsway CC
Sec/Treasurer Rick Cirino, Palmetto Pine CC

Central Florida

President Scott Welder, Walt Disney World
Vice President Brian Lentz, DeBary CC
External V.P..... John Lammrish, LPGA Int'l.
Sec/Treasurer Brett Harris, Lake Nona Club

Coastal Plains GCSA

President Jeff Heggen, Hilaman Park
Vice President ... Mike Echols, Summerbrooke GC
External V.P..... Doug Abbuhl, Seminole GC
Secretary/Treasurer Jeff Heggen, Hilaman Park

Everglades GCSA

President Jim Leiseberg, CGCS, WCI
Vice President . Kyle Sweet, CGCS, The Sanctuary
Ext. V.P. Darren Davis, Olde Florida GC
Treasurer J. Mark Black, CGCS, Quail West
Secretary Greg Maze, CGCS, Twin Eagles

North Florida GCSA

President Glen Klauk, Pablo Creek GC
Vice Pres. Andy Maguire, Marsh Creek CC
External V. P..... Clayton Estes, San Jose CC
Sec/Treasurer Glen Klauk, Pablo Creek GC

Palm Beach GCSA

President Tyler Warner, Addison Reserve
Vice President Peter Powell, Boca Greens CC
External V. P..... Mark Henderson, Gulfstream GC
Secretary Steve Bernard, Adios CC
Treasurer Frank McKee, Polo Trace GC

Ridge GCSA

President Mark Hopkins, Bartow GC
Vice President Tom Barnett, Bartow GC
Ext V. P. Jeff Brown, Lake Region Y&CC
Sec/Treasurer Clay Marshall, River Greens GC

Seven Rivers GCSA

President Bob Marrino, Magnolia Valley GC
Vice President ... Buddy Keene, Gainesville G&CC
External V. P..... Buddy Keene, Gainesville G&CC
Secretary Rick Watts, Royal Oaks GC
Treasurer Sonny Kirkland, Beacon Woods GC

South Florida GCSA

President Jim Goins, Hollybrook G&TC
Vice President Bob Harper, Emerald Hills
External V. P..... Joe Pantaleo, Indian Creek CC
Sec/Treasurer Kelly Cragin, Biltmore GC

Suncoast GCSA

President John Van Vranken, Waterlefe G&RC
Vice President Bob Gwodz, Sara Bay CC
Ext. V. P. Mike McCulloch, Jacaranda West CC
Secretary Andy Burmester, Pelican Point CC
Treasurer Chip Copeman, Lemon Bay GC

Treasure Coast GCSA

President John Morsut, North Palm Beach CC
Vice President . Roy Mac Donald, Hobe Sound GC
External V. P..... Ralph Dain, Sailfish Point GC
Sec/Treasurer Rob Kloska, Jupiter Island

West Coast GCSA

President Jim Sharpe, Summerfield GC
Vice President Louis deVos, Tides CC
External V.P..... Chris Ansley, Heritages Isles
Sec/Treasurer Kevin Baldwin, Diamond Players

Four Audubon Workshops Planned for First Week in December

The FGCSA has joined with the USGA to sponsor four Audubon Cooperative Sanctuary Program (ACSP) Workshops during the first week in December.

Dates are Monday, 12/2 at Pelican Sound GC in Estero, Tuesday at Mizner CC in Delray Beach, Thursday 12/5 at ChampionsGate Golf Resort in Davenport and Friday 12/6 at Sugarmill Woods CC in Homosassa.

The morning begins with USGA representatives John Foy and Todd Lowe discussing how to make golf courses friendly to golfers and wildlife - Integrating Playability with Habitat. A panel discussion highlighting Stewardship in Action follows with case studies and local resources. Joellen Zeh, Staff Ecologist with Audubon International will discuss Site Assessment.

The afternoon part of the program concentrates totally on Environmental Planning. Any golf course that submitted an Environmental Plan prior to 1/1/02 will have to re-submit on new certification forms so this is a great opportunity to get up-to-date.

This workshop is designed to walk you through the Site Assessment and Environmental Plan. You will leave with this important first step completed. Take this opportunity to get started on certification. Programs will vary slightly at each site.

You do not have to be a member of the ACSP to attend. GCSAA CEU's have been applied for.

Fee for the program which includes lunch is \$40 if paid by November 22nd and \$50 if paid after November 22nd. Reference books will be available on site. We encourage you to bring your Resource Advisory Committee or anyone that will be helping you work toward certification.

For more information on the workshops or to get directions to one of the golf courses call Shelly Foy, USGA, at 772-546-2620 or sfoy@usga.org.

2003 Florida Reception to be held Thursday, February 13th

The FGCSA will hold its annual GCSAA Reception on Thursday night, February 13th, at the Atlanta Marriott Marquis hotel from 7:00 - 9:30 p.m. The reception will be limited to Florida superintendents, assistants and to the sponsors of the reception. Invitations will be mailed in January.

Reception Chairman Michael Perham promises that the Atlanta reception will continue the tradition of being the best chapter reception at the GCSAA Convention. Mark your calendar now. You will not want to miss it! We are expecting a large crowd of Florida superintendents!

Sponsors have been solicited and we expect a good response from our loyal affiliates. However, there is still time for **any affiliate** to be involved as a sponsor and to share the opportunity to network with all the Florida representatives who attend the conference in Atlanta. We have enough categories to make it affordable for any affiliate who might choose to attend the reception. Number of tickets to the reception are based on sponsorship levels. See sponsor levels below.

We are asking all interested chapter affiliate members to call the FGCSA office at 1-800-732-6053 if you would like to join with the Florida superintendents in attending this Invitation-Only annual event.

Sponsorship Levels for the Atlanta Reception will be:

Level One - Platinum Sponsor:

Donation: \$2,500

Includes 20 admission tickets for your company representatives.

Level Two - Gold Sponsor:

Donation: \$1,000

Includes ten admission tickets for your company representatives

Level Three - Silver Sponsor

Donation: \$500.

Includes four admission tickets for your company representatives

Level Four - Bronze Sponsor

Donation: \$250.

Includes two admission tickets for your company representatives

Sponsorships are available to any affiliated member of a local Florida chapter. All sponsors will be recognized by a listing on the sponsor board the night of the reception and will appear in the full page thank you ad in the Florida Green.

Again this year, we will have a short Pre-Registration Welcome for all sponsors and FGCSA officers. We sincerely appreciate the support of all our sponsors.
