

THE BULLETIN

of the

UNITED STATES GOLF ASSOCIATION GREEN SECTION

BLDG., F, CONSTITUTION AVE. AND 7TH ST., WASHINGTON, D. C.

Entered as second-class matter April 21, 1926, at the post office at Washington, D. C., under Act of March 3, 1879
EDITORIAL OFFICES: P. O. BOX 313, PENNSYLVANIA AVENUE STATION, WASHINGTON, D. C.

WASHINGTON, D. C., JANUARY, 1932 (SUPPLEMENT)

INDEX TO VOLUME 11 (1931)

- Activated sludge as fertilizer, 117, 128, 130, 236, 240
Airplane menace to wild fowl, 118
Aluminum sulphate, 226
Ammoniating superphosphate, 143
Ammonium phosphate, 128, 236
Ammonium sulphate for controlling clover, 18; as fertilizer, 128, 130, 236, 240
Annual bluegrass, 132, 149, 193, 242
Annual report of Green Section for 1930, 5
Ants, 198
Applying chemicals to turf, 218
Arlington turf garden, report on for 1930, 5
Arsenate of lead in controlling earthworms and white grubs, 16, 183, 186
Artificial manure, 147
Associations, greenkeepers', 22
Atlanta Green Section, 46

Bay Shore Golf Course, demonstration turf garden report, 190; turf maintenance at, 199
Beach sand, Bermuda grass on, 199
Beetle control, 16, 183, 186
Bent grass:
 Cocoos, 18
 colonial: for putting greens, 131, 193, 242; for fairways, 133, 245; for the South, 193; change in scientific name of, 217
 creeping: for putting greens, 131, 193, 242; for the South, 193
 cutting, 210
 fertilizing, 210
 German mixed bent: for putting greens, 131, 193, 242; for fairways, 133, 245; for the South, 193
 matting of, 170
 seaside creeping: for putting greens, 18, 131, 193, 242; for the South, 193
 southern use, 193
 velvet, as putting green grass, 131, 242
Bermuda grass:
 controlling in bent greens, 206; fairway use, 181, 182, 184, 194, 199; fertilizing, 117, 197, 199, 200; sandy soil, 194, 199; treatment of, 176, 184, 194, 199, 201, 202, 225
Bichloride of mercury, 70, 218
Blanket grass control, 198
Bluegrass: annual, as a putting green grass, 132, 149, 193, 242; bulbous, 193, 225; cutting and fertilizing, 210; Kentucky, as a fairway grass, 133, 193, 245; southern use, 193, 200
Boca Raton Club, 6th hole, 119
Bone meal, 17, 128, 130, 236, 240
Brookline Country Club, fertilizing putting greens, 115
Brown-patch, 70, 197, 201, 205, 218
Brush, mower, 144
Bulbous bluegrass, 193, 225
Bulletin, Green Section, circulation of, 13
Burning Tree Club, 11th hole, 151

Calomel in brown-patch control, 70
Carpet grass treatment, 185, 193, 194, 201
Carpet weed control, 198
Centipede grass, 193
Central Ohio District Golf Association Green Section, 35
Chemicals, applying to turf, 218
Chemistry of fertilizers, 54
Chicago District Golf Association Green Committee, 31
Cleveland District Green Section, 50
Clover control, 18, 186, 226
Coastal-plain turf problems, 178
Cocoos bent, 18
Colonial bent grass: for putting greens, 131, 193, 242; for fairways, 133, 245; for the South, 193; change in scientific name of, 217
Compost preparation, 110; use, 110, 114, 115
Connecticut State Greenkeepers' Association, 49
Cooperation, how it helps the greenkeeper, 138
Corrosive sublimate in brown-patch control, 70; applying, 218
Country Club of Buffalo, 16th hole, 227
Country Club of Havana, 11th hole, 187
Country Club of Virginia, 4th hole, James River Course, 103
Crab grass control, 186, 198
Crabs, land, controlling, 246
Creeping bent grass for putting greens, 131, 193, 242; for the South, 193; cutting, 210; fertilizing, 210; matting of, 170; seaside, 131, 193, 242
Crowfoot grass control, 186
Cushion under turf, creating, 206
Cutting at different heights, effect of on growth of grass, 210

- Demonstration turf gardens: 1930 reports, 9, 122, 190; 1931 reports, 230; three-year summary, 230
- Depew, Ganson; becomes chairman of Green Section, 3
- Detroit District Golf Association Green Section, 42
- Development of local green sections, 22
- Dictionary of fertilizers and fertilizer terms, 75
- Disease control, 70, 197, 201, 205, 218
- Dissolving chemicals, 218
- Drought of 1930, figures on and effects of, 154
- Earthworm control, 16
- Elm trees, transplanting, 246
- Fairways: Bermuda grass, 181, 182, 184, 194, 199; carpet grass, 185, 193, 194, 203; fertilizers, 130, 182, 192, 195, 199, 240; grass ratings at demonstration gardens, 133, 193, 245; sandy soil, 17; sprinklers and water system, 163
- Fertilizers: activated sludge, 117, 128, 130, 236, 240; ammonium sulphate, 128, 130, 236, 240; analysis table, 58, 75; applying, 218; bone meal, 17, 128, 130, 236, 240; chemistry of, 54; consumption of, 68; costs of, 60, 68; dictionary of fertilizers and fertilizer terms, 75; effect of when grass is cut at different heights, 210; fairway, 130, 182, 192, 195, 199, 240; lime, 128, 130, 236, 240; manure, 130, 147, 206, 240; mixed, 128, 130, 236, 240; mixing, 63; mushroom soil, 17, 113; nitrate of soda, 128, 236; nitrogen basis of, 59; poultry manure, 128, 236; production, 68; putting green, 106 to 117, 126, 192, 236; ratings of in demonstration gardens, 128, 130, 236, 240; selecting, 57; sulphate of ammonia, 128, 130, 236, 240; urea, 128, 236
- Fescue; cutting, 210; fertilizing, 210; results with on demonstration gardens, 131, 242, 245
- Field mice control, 113
- Forest Hills Country Club; 13th hole, 207; turf maintenance at, 194
- Fowl, wild, airplane menace to, 118
- Fungicides, applying, 218
- Fungous disease control, 70, 197, 201, 205, 218
- Gardens: Arlington turf, report on for 1930, 5; demonstration, reports on for 1930, 9, 122, 190; for 1931 and three-year summary, 230
- German mixed bent grass: for putting greens, 131, 193, 242; for fairways, 133, 245; for the South, 193
- Golf Service Bureau of New England, 37; of Pittsburgh, 28
- Goose grass control, 198
- Gopher control, 198
- Green Committee, Chicago District Golf Association, 31
- Green Section: annual report for 1930, 5; Bulletin, 13; local, development of and reports on, 22; meetings for 1930, 12; Metropolitan Golf Association, 25
- Greenkeepers' Association of Minnesota, 47; of New Jersey, 32; of Southern California, 43; of Westchester County, 47; of Western Michigan, 27
- Greenkeepers' Club of New England, 23; of Western Pennsylvania, 40
- Greens (See Putting greens)
- Ground spurge control, 198
- Grubs, controlling with arsenate of lead, 16, 183, 186
- Hydrocotyle control, 198
- Indiana Greenkeepers' Association, 34
- Inverness Golf Club, 18th hole, 19
- Irrigating system, 163
- Japanese beetle killed by *Typhia* wasp, 181, 186
- Kentucky bluegrass as a fairway grass, 133, 193, 245; cutting and fertilizing, 210
- Land crabs, controlling, 246
- Layers, use of in building putting greens, 150
- Lead arsenate for controlling earthworms and grubs, 16, 183, 186
- Lead shot on turf, 226
- Leaf rake, home made, 224
- Lime as a fertilizer, 128, 130, 236, 240; burning with, 170
- Live Oak Golf Club, oiled sand greens, 145
- Local green sections and associations, 22
- Long Island Greenkeepers' Association, 44
- Maintenance Section, St. Louis District Golf Association, 33
- Manila grass, 193
- Manure as fertilizer, analysis table, 89; 130, 147, 206, 240; artificial, 147
- Marl, 17, 180, 199
- Matting of bent turf, 170
- Meetings, Green Section, for 1930, 12
- Mercuric bichloride (corrosive sublimate), 70, 218; chloride (calomel), 70
- Methods of applying chemicals to turf, 218
- Metropolitan Golf Association Green Section, 25
- Miami Beach turf garden, 190
- Mice, field, controlling, 113
- Michigan and Border Cities Greenkeepers' Association, 43
- Mid-Atlantic Association of Greenkeepers, 36
- Mid-West Greenkeepers' Association, 30
- Mill Road Farm Golf Course, 17th hole, 247
- Mixed bent for putting greens, 131, 193, 242; for fairways, 133, 245; for the South, 193

- Mixed fertilizers for putting greens, 128, 236;
for fairways, 130, 240; making, 63
- Mixing chemicals, 218; fertilizers, 63
- Moisture requirements of grass, with rain-
fall figures, 154
- Mole cricket control, 186, 201
- Moss, peat, use of on putting greens, 117
- Mower brush, 144
- Muck, 17, 117, 150, 180, 199
- Mushroom soil, 17, 113
- National Association of Greenkeepers of
America, 46
- New Jersey State Golf Association Green
Section, 48
- Nitrate of soda, 128, 236
- Oakley, Russell A., 175
- Oakmont Country Club, fertilizing putting
greens, 114
- Oiled sand greens, 145
- Old Elm Club, 8th hole, 135
- Ontario Greenkeepers' Association, 39
- Organizations, green section, local, 22
- Ownership, statement of, 206
- Peat, 150; moss, 117
- Pennywort control, 198
- Philadelphia Association of Golf Course
Superintendents, 41; Green Section and
Service Bureau, 44
- Pinehurst, N. C., turf maintenance at, 182
- Pipe, size to use, 163
- Plainfield Country Club, fertilizing putting
greens, 112
- Plantain seed in bent seed, 226
- Poa annua (annual bluegrass), 132, 149, 193,
242; bulbosa (bulbous bluegrass), 193,
225
- Pocket gopher control, 198
- Poultry manure, 128, 236
- Precipitation 1925 to 1930, figures on, 154
- Problems of southern golf courses, 176
- Punta Gorda Country Club, turf maintenance
at, 201
- Putting greens: building, 150, 176 to 206; fer-
tilizers for, 126, 192, 236; fertilizing
and maintaining, 106 to 117; grass rat-
ings at demonstration gardens, 131,
134, 193, 242; sand greens, 145, 182;
southern, 176 to 206; top-dressing, 109
to 117, 134; winter top-dressing, 134
- Rainfall 1925 to 1930, figures on, 154
- Rake, home-made leaf, 224
- Ramsay, Herbert H., becomes president of
United States Golf Association, 2
- Ratings of fertilizers and grasses at demon-
stration gardens, 122, 190; three-year,
230
- Redtop as a fairway grass, 133, 193, 245
- Report, Green Section, annual for 1930, 5;
demonstration turf garden for 1930, 9,
122, 190; for 1931 and three-year sum-
mary, 230
- Rhode Island Greenkeepers' Association, 49
- Rules of golf, 1931 edition, 133, 148
- Rye grass as a southern winter turf, 185, 193,
197
- Sand greens, 145, 182
- Sandy soil, preparation of, 17, 194, 199
- Seaside creeping bent grass for putting
greens, 18, 131, 193, 242; for the South,
193
- Seeds, kinds and quantities of purchased by
golf courses, 222; plantain in bent
seed, 226
- Service bureaus, 22
- Shackamaxon Country Club, 5th hole, 171
- Shot, lead, on turf, 226
- Sludge, activated, 117, 128, 130, 236, 240
- Snow, hastening the melting of on turf, 217
- Soil, sandy, preparation of for fairways, 17
- Soot, Scotch, use of on putting green, 116
- Southern turf problems, 176 to 206; demon-
stration turf garden, 190; grass ratings,
193
- Sprinklers, installation and tests, 163
- Spurge, control of, 198
- St. Lucie Bermuda grass, 193
- Sulphate, of aluminum, 226; of ammonia, 18,
128, 130, 236, 240
- Superphosphate, ammoniating, 143
- Tampa, Fla., all year turf at, 194
- Top-dressing, 109, 110, 112, 114, 115, 117;
winter, 134; in Texas, 206
- Transplanting elm trees, 246
- Turf garden reports, 122, 190, 230
- Urea, 128, 236
- Vanderpool, Wynant D., resigns as chair-
man of the Green Section, 4
- Velvet bent grass, 131, 242
- Wappoo Links, turf maintenance at, 184
- Water requirements of grass, 154; system
installation, 163
- Weeds: annual bluegrass, 149; Bermuda
grass, 206; blanket grass, 198; carpet
weed, 198; clover, 18, 186, 226; crab
grass, 186, 198; crowfoot grass, 186;
goose grass, 198; ground spurge, 198;
hydrocotyle, 198; pennywort, 198;
plantain seed in bent seed, 226; yard
grass, 198
- Western New York District Greenkeepers'
Association, 38
- Westwood Country Club, 17th hole, 51
- White grub control, 16, 183, 186
- Wild fowl, airplane menace to, 118
- Wilshire Country Club, fertilizing putting
greens, 110
- Winter-course problems, 176 to 201; winter
greens in the South, 182 to 201; win-
ter top-dressing, 134
- Wisconsin Greenkeepers' Association, 45
- Women's National Golf and Tennis Club,
7th hole, 71
- Woodward, Frank L., 4
- Yard grass control, 198
