Coming Up Next Issue

Floods can come with little forewarning, quickly devastating communities and wreaking havoc on golf courses. Make sure you're prepared for when dark clouds are on the horizon by staying tuned for the September 7, 2018, issue of the *USGA Green Section Record*.

Latest From Course Care

Fore The Golfer

Hole Location, Location, Location

Setting hole locations is a seemingly simple task but it has a tremendous impact on pace of play and golfer enjoyment. So, we asked 30 golf course superintendents to describe their approach to setting hole locations and here's what they had to say.
