

2018 USGA Green Section Record Compendium

We hope you enjoyed the USGA *Green Section Record* during 2018. Last year, we sent you a lot of information – perhaps more information than you had time to view when you received each issue. So, to make it easy for you to enjoy and share the information we published, all of the articles and videos published last year have been assembled into this user-friendly 2018 USGA *Green Section Record* Compendium. Like the USGA Green Section Collections, this compendium is easy to navigate, full-text searchable and can be downloaded to your personal device so you can view it at any time.

Thank you for subscribing to the USGA *Green Section Record*. We look forward to providing you with timely, practical and intriguing information in 2019.
