

# Scandinavian Journal of Development Alternatives

## Stockholm, Sweden

This is a journal with an interdisciplinary focus in the social sciences. It is both theoretical and practical nature, and seeks to confront and deal with every aspect of human development, covering all the socio-economic systems of the world. It has interest in such issues as basic social needs, fulfillment of human rights, avoidance of both class and other structural violence, the search for disarmament and peace, the maintenance of ecological balance, the removal of poverty and unemployment, improvement in North-South relations, and the finding of an international framework to deal equitably with trade, industrialization, migration, technology transfer, and general socio-economic disparities of a regional or a global kind.
