## SOCIAL DEVELOPMENT ISSUES

## a journal of The University of Iowa and Southwest Missouri State University

published in cooperation with the Inter-University Consortium for International Social Development (IUCISD)

## Providing a forum for:

- Research on policies, practices, and service delivery systems in economically developing nations
- Analysis of social development, social services, health, poverty, income maintenance, global feminism, human rights, and non-violence
- o Achieving linkages among multiple disciplines, nations, and cultures
- o Investigating issues that impact on social justice, community, and individual development

Social Development Issues, which is published three times a year, is an international refereed journal that welcomes contributions from scholars and practitioners in all disciplines interested in social development.

Individual subscription rate is US \$20.
