JOURNAL OF SOCIAL DEVELOPMENT IN AFRICA

School of Social Work

P Bag 66022 Kopje Harare Zimbabwe

The Journal publishes analyses of social development issues as they affect the poor and marginalized. It deals especially with concerns relevant to sub Saharan Africa and is addressed to development and social workers, planners, policy-makers and academics in a variety of fields.

Published twice annually, the Journal seeks to enhance understanding of the social development processes so as to contribute to the planning and implementation of appropriate intervention strategies at different levels. Its goal is to discover how to target projects that are relevant to those most in need and how to maximize popular participation to create egalitarian and productive communities.
