

# Formal Sector Employment Demand Conditions in Zimbabwe

---

Report of a study prepared by

*A. M. Hawkins*

*P. J. McBurney*

*M. A. Shadur*

*W. Clataroff*

This report constitutes the draft analyses of the data collected in the course of a study of the conditions affecting the demand for employment in the formal productive sector of the Zimbabwean economy.

One of the objectives of the authors was to encourage debate on the issue of employment in Zimbabwe, which they view as one of the most important public policy issues facing the nation today.
