

OXFORD UNIVERSITY COLONIAL RECORDS PROJECT

The project completed its task at the end of last year, but work continues on the preparation of guides to the larger collections of papers. Over eighty of these guides have so far been produced. As well as material of general Commonwealth interest, they describe papers concerned with specific territories — East, West and Central Africa, the Middle and Far East, West Indies, Pacific and other areas. Copies of guides concerning a particular region can be obtained from The Librarian, Rhodes House Library, Oxford, where the collections are housed. There is no charge, but refund of postage is welcomed.
