	March	1934			
Diseases of Turf	September	1937			
Dollar Spot, disease	September	1937			

IMPORTANT—To reduce its bulk, the first 27 issues of Lawn Care have been condensed to single sheet form. Index references to the first seven volumes have been changed accordingly. Unless you have the condensed copies save your old index and use this one only for reference to 1938 bulletins. If you prefer to replace your old issues with the condensed ones, a postcard will bring them without cost.
