Zonate Eyespot, disease . . . . .	47

## Scott Literature

A complete paper bound file of all previous **LAWN CARE** bulletins may be had for only 25c in stamps or coin.

This durable, loose-leaf binder, containing all Lawn Care bulletins to date, will be sent for \$1. Included is alphabetical index and sheet of graph paper for mapping your lawn and keeping a record of its maintenance. Your name gold stamped on cover—20c extra.

**GOOD LAWNS** is the amateur gardener's guide to better lawns. Pocket size, it contains complete but condensed information on how to build a new lawn or renovate an old one. Sent free on request.

**BENT LAWNS** in a new edition with color illustrations. It tells the story of the most beautiful of all lawn grasses—Scott's Creeping Bent. Sent free.
