Sewing Machine Sales for 1870.

McKay sewing machine association. 186
F. Thompson, 188
It will be seen by this talle that the popular ity of the Singer tracking an edged greater than all others, their sale being one-delf greater than even that of the fangeris "Wheeler A. Wifson machine. This is owing to the fact that the Singer company have lately communication in the state their old and well-cetablished manufacturing machine, which is short as their "New Family Machine," which is saling at the rate of their total sales for better than their old Ayle. Their total sales for
