RADIOES.—Sermons at the Diviner school church, at 10 o'clock a. m., by Rev. J. B. Gilman. Subject—A Lost Boy. No service in the evening.

No Ice.—The ice in the river is very thin and the prospects are also thin for an early supply of ice. Usually at this time our ice dealers have laid in a large quantity.

SERENADE.—The Mauchester Brass Band gave our villagers a musical treat on Christmas and New Years days. We saw the boys that their efforts were appreciated.

We think a kerosene lamp, well trimmed, should shed sufficient light upon the surroundings. Adrian has adopted the use of kerosene instead of gas, and show life it. We know that our citizens will join with us in saying "let there be light."

OPERA HOUSE OPENING.—We understand that the Jackson "Academy of Music" will be opened on Monday next, January 12th, with the complimentary performance of the "Carmen" by the instrumental music, reading, tableaux, etc. The house is the best in the line and Capt. Wm. H. Stevenson has the management of the house, as well as the Union Hall. It is a sufficient guarantee that it will be well managed. On the 14th, January, the company will give a performance of the stage. The 15th and 16th will be Victor's Comedy Company, of Chicago, will produce "Money" the first night, and "All in the Wrong" the second night. If any of our citizens should go they will be well repaid.

PERSONAL.—We were much pleased to receive a call from L. D. Burch, president of the firm of Burch & Ford, of the Chicago Commercial ADVERTISER. He

THE GAME LAW.—Our Sportsman has laid aside their pointers to the Gh, and will allow their pointers to ride until that date. The game law, as amended by the last Legislature, is that no person or persons shall kill, or hunt or kill any wild birds, or game of law, save only on the 1st of October, November and December in each year, or kill or destroy any wild bird or game of law.
