MANCHESTER, MICH., THURSDAY, JANUARY 13, 1876.

THE PRESS GONE MAD. A maiden once said, "I'll not mate With a man who has not fertune great." So she pouted and wated, And scurned to be mated.

ica, Manufacturers, Farmers and Families generally, fold. The report says that he smoked a A maiden once thought:
"I can not be bought; cigar and "kissed his hand to the ladies," just before swinging off. But what were "ladies" doing at such a matinee The better to wait.

And be aged forty-eight,
Than to marry the average man a
For there's trouble ahead
For the maiden who il wad
The very first person she can.

Louisville Courter—

But most of the girls,
(Dash their frizzes and curis!)
Make their minds up, quite early in life
To take any one
Who II let himself be "done"—
The point is, to be some one's wife-

DISPATCHES from Port Clark state that the Mexicans crossed the river twelve miles below San Felipe, surprised Pond's ranch, killed three men, captured all. A maiden once cried:

"Now, whatever betide,
"I'm marry a man who is wise."

But, his wise views asserted,
She pouted and firred;
Each sickened full soon of their prize. the arms and horses, and six hundred cattle. Companies of citizens are oranizing to follow them. Much trouble is apprehended. Scon, mag. was the case;
"Twas an " swind disgrace,"
Said the Judge, in decreeing divorce;
And the woman's a fool
Who a general rule
Will adopt in deciding her course.
—St. Losis Espain

youngest child, a girl yet too young to understand the dreadful scene, yet destined to be haunted by at for life; so that their accounts of the phenomenon were various and somewhat contradiotory. But the second boy, Theodore, did not take his eyes from his mother's face. He and Augustine, the eldest, confirmed each other's statements to the doctor, and after, of course, every precaution had been taken against premature interment, she was buried in her grave, where, let us hope, she rests in peace. It would seem as if that smile was the dead woman's revenge, as if she said:

"My spirit shrunk and to sustain The sarching three of ceaseless pain. The mext best authenticated "story comes from the neother face."

The next best authenticated "story comes from the records of the Franco-Prussian war."

It seems that one of those red cross nurses, one of those Mercy Merricks, perhaps, with whom Wilkie Collins has made us familiar, had among her patients a young fellow whose nationality she could not find out. He was in the Prussian uniform, yet not, she thought, as Prussian. He had been struck by a spent.

The special conditions are also and the properties of the special conditions are also as the most of the properties of the special conditions are not of the season and the properties of the pro

Around my warm hearth the
Morry lavin flows
From hearth wheesin good-will
Carolis and glows.
But, when that sweet music s
Stilled for the night,
I sleep in my warm hed, to Dream that I fight
With the cruel Snow Eniden,
Eligible cold, cold crown
I molt with my breath, spite h
Scepter and frown.
Burn and blase
Burn and blase
Sparkle and sing:
Sinra and blase
Surra and blase
Sing; By-and-by-by-and-by-Summer will come With her bright pansies, and June bees' soft hum. June boos' solf hum.
Then, silest my voice as the
Snowfiskes' light fall,
And empty my hearth as you.
Dark shadows fall.
Well! well!—I'll not burden my?
Song with a sigh!
For, up from my sakes, I'll
Resurgam' cry.

She is middle aged and neat in dress, and his not particularly fair to look upon; but a cross of silver light is not particularly fair to look upon; but a cross of silver light his head agove; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upon; but a cross of silver light his not particularly fair to look upo

look funny and cause a shout. She caught it in her hands. "I'll set you a copy before I go, as well as a bad example, girls," she cried; and then the contents were dashed in the teacher's face. Alas! The result was not a laugh—it was a scream of terror as the young man rolled in horrible agony upon the floor, mr. Munn taught a class of chemistry in the school room on Saturday afternoons, and this shelf was dévoted to the articles for the study. It was a bottle of some and business pogition, wished to sing one of his own—one about a gentle man named Daniel Tucker, who dreamed that he was dead, and so forth. The teacher warned him to keep still, and he replied that he wouldn't come to that skinilar woman, with a view to matrimony. Miss Green meditated, and the replied that he wouldn't come to that sating to the cffect that Barkis was replied that he wouldn't come to that was an answer to the "personal," of the floor in the acquaintance of a somewhat is millar woman, with a view to matrimony. Miss Green meditated, and the replied that he was dead, and so forth. The teacher warned him to keep still, and he replied that he wouldn't come to that skinilar woman, with a view to matrimony. Miss Green meditated, and the replied that he was dead, and so forth. The teacher warned him to keep still, and he replied that he wouldn't come to that was an answer to the "personal," of the clieble was an answer to the personal, and was gone; but a cross of silver light to wing one of his own can and business pogition, wished to similar woman, with a view to matrimony. Miss Green meditated, and the result was an answer to the "personal," of the clieble was a stream of terror as the young man to business pogition, wished to similar woman, with a view to matrimony. Miss Green meditated, and the result was an answer to the "personal," of the clieble was a stream of terror as the young man to be overlooked. When school finally opened the teacher secured him to keep still, and he replied that he was dead, and so forth. The tascher secur

for the study. It was a bottle of some terrible acid which Violet Raynor had "Can you spell?" she asked. "What kind of spelling?" he cautious his Green to write at once to E. HOWARD, E. HOWARD,
Room A, Second Floor,
No. 4 W. Third street. She did so, and invited Mr. Howard "With a mortgage on it?"

"You may spell man' if you will,"

"You may spell man' if you will,"

stall consciousness.
"With a mortgage on it?"

"You may spell man' if you will,"

she said, giving him a severe look.
"Man" ause they like peace

Eight weeks after this, a young man lay upon the pillows of the spare room in Colonel Raynor's house. He was thin and worm and there are the was thin and worm and there are the was thin to the pillows of the spare room in Colonel Raynor's house. He was thin and the rosy-footed hours to the pillows are the was thin to the pillows and the rosy-footed hours.

For green grass under the snow IT is a woman's right to know whether or not a man is baldheaded, and custom requires that every gentleman should Then Miss Green wrote him a tender take off his hat when in the presence of note, complaining of the neglect of her a lady. fiancee, and saying she was "lonely, to- HE who denies all freedom of will to a

No medicate given in the treatment of a disease, and all other chronic diseases. No medicate given in the treatment of a disease, and then sighed.

There is something," he said, and then sighed.

"There might be something."

"Yes, I could, if I had money to pay with some interest. His delicate manner and gentlemanly habits pleased her, and she would have behaved hereelf in a lady-she way but for popular ropinion. But alas! the "girls" had resolved not to give in to any young man teacher. They were proud of their horrible conduct, the and to come to school here."
