SPEAR NO ILL.

Nay, speak no ill! A kindly word
(an never leave a sting behind:
And O to breathe each tale wa've heard
to far beneath a nothen ind.
Full of a better seed is sown
By choosing thus the kinder plan;
For, it but intle good be known,
Still let us speak the best we can.

Give me the heart that fain would hide Would fain another's fault efface;

Then speak no ill, but lenient be
To others failing as your owa;
If you re the first a fault to see,
the not the first to make it known;
For life is but a passing day
No lip can tell how brief its span;
Then U, the little time we stay,
Let a sjeak of all the best we can.

For a while, you know, it was louely With me in the house all day, and no one to come athigh me. To hear what I had focus; But when I sat wit my baby, My boy, safeep on my arm, didnu't care much for the neighbors. Or anything else on the farm There were Jack and Ben, you remember They were all that I ever had; And Jack was his mother's idol, Though Ben was a tikety had; And we saved up every penny. Nor envired another's joys For a little farm is a little cramp For a couple of growing boys.

I was bent on their having learning.
For I wanted my Jack and Ben
To be able to serve their country
Whenever she needed men.
And Tather said I was affly.
You have required understand in advance, otherwise \$2.00. For he never could understand The use of spending money For anything else than land. But I kept on my way of thinking, And, though not otherwise, I saw
That both had a taste for study;
But Jack had a taste for law.
And I knew that my prayers and prude
Would after a while be acknowledged,
And it paid for all the struggle
When I entered my boys at college. JOB PRINTING.
