stately manner, and said: ing for appropriations to carry them out. STANLEY, THE EXPLORER.

"I thought you'd like a taste of one Hans included her caprices at first, while incommant Gazette." in for appropriations to carry them out.

"I thought you'd like a taste of one of our greenings. We didn't gather of our greenings. We didn't gather but two bushes this year, for—you—sty."

"No wonder she faltered. She had gone to the wrong barrel in the dim cellar light, and here, as she fished them moth white-potatoes, staring at her with all the eyes they had. Of course with all the eyes they had. So saying, she deposited them upon a little shelf near by, and seated herself at the quilting-frame, which was now nearly surrounded by women.

I stood at Miss Roxy's elbow, and took a full survey of the, scene. The dear of the toating the triangle of the proposation that the dim upon his pocket-book, and at each repetition would knit his backed them out in plain that the draw out of the proposation of the Prince of Wales, but Mr. Stanley appears to the dining room of the Prince of Wales, but Mr. Stanley appears to the dining room of the Prince of Wales, but Mr. Stanley appears to the dining room of the Prince of Wales, but Mr. Stanley appears to the dining room of the Prince of Wales, but Mr. Stanley appears to the dining room of the Prince of Wales, but Mr. Stanley appears to the dining room of the Prince of Wales, but Mr. Stanley appears to the dining room of the Prince of Wales, but Mr. Stanley appears to the dining room of the Prince of Wales, but Mr. Stanley appears to the dining room of the Prince of Wales, but Mr. Stanley appears to the dining room of the Prince of Wales, but Mr. Stanley appears to the dining room of the P

Seented and warm;
Birds singing overhead;
Beegen the charm
suchight is coverild—
Sorrow and harm
Now stand aside from him;
Misery, shame,
Make their path wide for him
Krowsot his name. Knew not his name; Funishments glide from him, Law cannot blame! Bees wander dronting by Futterflies pass,
Fiscels, intouing, lie
leep in the grass,
Nature's great tenderness,
Wide as the day,
Sin cannot render less,

À TRAMP.

Here let him He— Youth hath forsaken him, Unlends have passed by; Tempests have shaken him—

Kuirs, diegracoi . sirep, thus, with mother-love

Haggard, ungainly face,
Wind-heaten, wild,
Where sin and pain deface
to all's liminge initial.
Battered by sheet and storm,
Southed to the sun.
Rac-tovered, feet and form,
is the match dorfe!
Are there skill blinding days
with heat accursed,
heat and winding ways.
