ONLY ONE DAY. BY M. C. P. ASSONAT

And this you may plainly see:
For he said he could do more work is a day.
Than his wife could do in three.

"So best," the good wife said,

"But this you must allow,"
That you will work at home to
And I'll go follow the plow.

" You must milk the pretty, brown an

For fear she might go dry; And you must feed the little fat pig. That lives in youder sty

" You must watch the speckled hen

Then the woman took the staff in hand

er husband took the shining pail, And went to milk the row.

"Soh, Tiny! Ho, Tiny!
My pretty brown cow stand still

d you must wind the hobbin of thread

Tiny she hinched, and Tiny she film hed.
And Tiny she stuck up her nose.
Then gave the old man such a kich in the faThat the blood ran down to his toes!

summer.

was going to get us some leathers for Christmas. Oh, God! It is eight o clock. And the storm! How ever can be find the looked around on the faces of his his way home. He looked around on the faces of his with business cares."

This song at miduight? And this breath—ah see!— i covered thus in a collection of the flush and the life, that melted snow, my bloom novelled to these:

— Harper's Magazine for May.

— clothes in which he won the \$3,000 at saith the Lord. He that believe the in the clothes in which he won the saith the life.

| The content content of the content

over rey coldness.

And her glad song was breathing o'er wastes:

And her glad song was breathing o'er wastes:

Inc., until nearly eight o'clock. Then, as head and covered with blood from her hadn't the best brass band in the State proprietor of the most extensive board-trackless show.

Oh! sweet was its soft leading, oh! loving was its to-wrench the cabin from its foundation of the control of the most extensive boarding house in Boston. It took in a whole block of dwelling houses standing on the show. Oh! sweet was its soft leading, oh! loving was its boidness."

The snow shows recervised, its gleaming I could stions, she started up with a cry.

Cold was the winter's splendor, fine was its flashing moonlight.

Cold was the winter's splendor, fine was its flashing to me.

I follow thee. I follow

The snow shows recervised, its gleaming I could stions, she started up with a cry.

"Jim! Why, Jim was to be off at wild Swan Gulch this afternoon. He lips.

"Minery!"

"Minery!"

Who can wrowd her foot into a No. 2 slow.

Show.

BLUE blood and royal birth can the save a man's hair. The Prince of Wales is growing bald.

As industrious Irishman wrote to a fireficht: "My idle time is all occupied with business cares."

Winery!"

He leaked around on the faces of his with business cares."

And the storm! How ever can be find his way home?

Springing to the door she lifted the hickory latch and drew it towards her. The mass of snow which had been piled against it fell in and streamed across the door. The blast, driving in more snow, extinguished the vandle.

It covered something which she had clutched for when she fell. He to the definition of the potato peddler's tribulations:

When the poet sang of something that was "strong without hands," he probably referred to butter.

EVEN Jo. Cook can not explain why a chicken always prefers to be on the other side of the fence from a tramp. Have faith in one suother.

And respect a brother's name;
A cardies word quite often leads.

To ruin and to shame.
False friends may reign a season,
On! doubt not that they will; ut have faith in one another, And the right shall triumph still

she had clutched for when she fell. He drew it forth; it was her Testament.

In a few moments she had managed to sweep away a part of the drift and close the door. Then she relit the candle.

Next she threw off her dress and pettice coats. Going now to an old horsehide coats. Going now to an old horsehide of the resurrection and the life. This book has been my comfort. "Read it, Jim."

This book has been my comfort. "Read it, Jim."

And below:

The sweet to be on the other side of the fence from a tramp.

In Massachusetts they call burglars. About the year 1848 there was a boarding head of the corner of Bedford and Lincoln streets, kept by one of the best of nien, whose name we will call White. The reason of our calling him by the name is for the same reason that the Justice ning house on the corner of Bedford and Lincoln streets, kept by one of the best of nien, whose name we will call White.
