THE chances are very much in favor of a woman's recovering damages in a breach of promise suit and very strongly against a man's doing so, and this though on the face of it the man's case. may be a much better one than the woman's. The jury usually reason that by being discarded the woman has suf fered in mind and prospects, and bene is entitled to compensation, which is sometimes calculated at a very high figure. The man, on the other hand, is regarded as being able to shift for him self, and his sufferings are usually

thought to be amply compensated by his increased liberty.— New York Graphic PORM OF THE STATES. The murmured as he should not the full and the sighed and tairly langued to take up these treed? The murmured as he should not the full and the sighed and tairly langued to take up the sighed to take up the sighed tairly langued tairly langued tairly langued tairly langued tairly ner arms around nim, saying in a petcods of millions of building in a petcod and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow, and all nature seemed to take up the voice as the big tears fell on his vellow and the voice as the big tears fell on his vellow and the voice as the big tears fell on his vellow and the voice as the big tears fell on his vellow and the voice as the big tears fell on his vellow and the voice as the big tears fell on his vellow and the voice as the big tears fell on his vellow and the voice as the big tears fell on his vellow and the voice as the big tears fell on his vellow and the voice as the big tears fell on his vellow and the voice as the big tears fell on his vellow and the voice as the big tears withouten water? There's no a drop more i' the house nor the street."

The boy said nothing as he stroked his sister's brown head, but the wistful longing look in his eyes, and the half.

His sister came then, wandering along. onging look in his eyes, and the half. His sister came then, wandering along you nome. the Indians, and that it would procure half or a quarter of the necessary meat by huntlonging look in his eyes, and the half sigh he could not repress, showed how much he needed the water. The man looked at them for a minute, and then looked at them for a minute, and then for a minute, as she in ghis thin cheek, "yo will get all well in held him fast in her strong young arms it seemed as though her love were deep that he ladian would see for himself a reason to compose to the rest of the special will be specially and the looked at them for a minute, and that it would produce the grand of a moment, as she in ghis thin cheek, "yo will get all well in ghis thin cheek," yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek," yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek," yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek, "yo will get all well in ghis thin cheek, "yo will get all well him fast in her strong young arms it seemed as though her love were deep thin in spite of the indiana, she in the ladian would see for himself a reason to guart. Again, it was a fayorite the gruin in guart. Again, it was a fayorite the gruin in guart. Again, it was a fayorite the gruin in guart. Again, it was a fayorite the gruin or a quarter of the necessary meat by buint in guart. Again, it

sleep. The boy closed his eyes wearily and turned his face to the wail. The girl kissed him and settled him as common to have the stars fortably as she could, then rose from the hand of the she partly opened. The moon was high and full, and the street without looked as bright as day. A sudden idea seemed to strike her, for she smiled brightly as she went soffly to the bed and sood gazing at the brother she loved so well, and knew she should be able to keep so short a time.

"He with a moan, sale dosed the moan and kissed him and let him go. Then the spirit wrapped the boy in her garments, and kissed him solemnly on her garments, and kissed him and let him go. Then the spirit wrapped the boy in her garments, and kissed him solemnly on her garments, and kissed him solemnly on her garments, and kissed him solemnly on the spirit wrapped the boy in her garments, and kissed him solemnly on the spirit wrapped the boy in her garments, and kissed him solemnly on her should seem and settled him as common to it was hunger which drove the Bannocks and Chevennes to war this summer; and similar escapades with cover each similar escapades with coarse fact the summer. Become and kinded him solemnly on the spirit wrapped the boy in her garments, and kissed him solemnly on the spirit wrapped the boy in her and similar escapades with cover each war this summer.

The the spirit wrapped the boy in her and kissed him solemnly on the spirit wrapped the boy in her and kissed him solemnly on the spirit wrapped the boy in her and kissed him solemnly on the spirit wrapped the boy in her and kissed him solemnly on the spirit wrapped the boy in her and kissed him solemnly on the spirit wrapped the boy in her and kissed him solemnly on the spirit wrapped the boy in her and similar escapades with cover each with the words the suiter state that the part and summer and similar escapades with cover each with with an onch was hinger when the summer. Beauting the fact of the transmit with the said mount is and behold the words of the street in th I have L Spalaid.
