Baby Burglars.

reised the desperate idea of capturing the person of General Grant. He be

The old, old perfume round it cl An early April violet, My thoughtful, gentle Willie. One morn I crossed the shaded lane Where Withe used to wait for me He was not there, and wonders: I waited long, but long in vain, For my dear playmate, Willie. That day, how dull the lessons seemed I watched the clock's slow, measured While o'er his empty deek and seat The smilling wacant sunight streamed I missed my boy, my Willie. And so, the long, long week went by, I'll some one came and spoke a word. The saddest ever said or heard;

could not sob, I could not cry.
My heart seemed dead with Willie I saw him once again. The place
Was dark and hushel. He lay at re With white flowers smiling on his br I stooped and kissed his sweet, dead fa And said good-bye to Willie. Ab me! Ah me! How many years liave come and gone! My own boys if And fill my heart; but even ye. My eyes have room for tender tears Whene'er I think of Willie.—Youth's Comp MY SISTEM.

BY MARY AINGE DEVERE

His eyes were brown, his cheeks were brigh

His has hung backward from his our i used to think his teeth were pearls, watched him with such dear delight, My little aweetheart, Willie

Across the school-room's din and notes: He sent me friendly smiles and looks

He sent me friendly smites and He loved to carry home my books, And guard me from the ruder boys, My kind, brave-hearted Willie

He gave me once -I have it ve: Presed in my dictionary leaves.

How calmly she sleeps in the grave.

Let her rest;

How sadly the cypress trees wave

O er her breast. How anxiously gazed I with fear At her bed; What a night brooded over that day What a gloom. When bearing her slowly away
To the tomb. Let me live as she lived, and die

Deny me not this, let me lie At her side. How sweetly we'll rest in the grave.

PERSONAL TOPICS. lieved that General Grant was the evil Two little fellows, who could easily Three Hindoos, who recently killed An enterprising reporter, in writing genius of the Confederacy, and that if have been carried in the arms of the office to the field or taken prisoner cerwholed them, went tottling down the the siege of Vicksburg could be raised asle of the court room in Paterson, and the Federal same diversible arms deliver have been agreed and the Federal same diversible and the Federal same diversible and the Federal same diversible and the following could be raised.

and the Federal army driven back. He to answer the charge of burglary.

sent for Joe Lee and innearted to him burglary: What do you mean his thoughts, and asked him if he could devise a plan. It was readily taken to by Lee, who immediately proposed to by Lee, who immediately proposed to by Lee, who immediately proposed to by Lee, and the look over the railing to see the tiny by Lee, who immediately proposed to be a constantly increased until the constantly increas THEOPHILE GAUTIER, who was a constantly increased until the clogged machinery of life stood still, and this by Lee, who immediately proposed to prisoners. They stood looking up at execute the daring enterprise. At that him with their great eyes, the only clean time—that is in the spring of 1864—feature about their faces, while their daring enterprise. At that him with their great eyes, the only clean and Russia's winter.

It has been proposed to the Khedive of Egypt to convert into paper the cloth of the mummies of which it is calculated and suarded, and baby the colored. Rass covered their little less on the Mississippi, some eighteen miles somehow or other hitched up around the prison face.

It has been proposed to the Khedive of the mummies of which it is calculated and two feet four inches of the mummies of which it is calculated at 20,000,000 must be deposited in the prison face. It was built form of a square case. It was built form of a square case. on the Mississippi, some eighteen miles somehow or other hitched up around above Vicksburg. General Grant's headquarters were in the dwelling house that belonged to a magnificent plantation, much of which can be seen from the deck of a passing steamer. Joe Lee proposed to go to that house and bring away the body of General Grant, dead or alive. He chose five of his most that the property of the proposed to go to that house and bring away the body of General Grant, and their faces were smeared and grimy. It was a clear case against the bables.

It was a clear case against the bables. The Crown Prince of Sweden may be floor, as he had been long incapable of the grave and four cog wheels, and upon these the remains of the same expression as Moncasi did when he, a few weeks ago, attempted the grave by cutting away the earth for some distance. The apartments which king."
