seither heeds nor hears the graybeard hos

Neither heeds nor hears the graybeard has The aim his former lieges keep; Cold to the blast through the open door— The oil year node, as if saleep. Well may be sleep! his course is run; He has sewed his fack; courtier's day— a monarch dethroned; his work is done— in cold ne, lect let him pass a way! But he rouses at last, as the tollting bell articlaims that the night-is wanning fast, And the echoing sounds ring his dying k. He and his beaung to the shadowy past, and crouched in the shade of his lonely! Jive the smouldering embers dim; He faintly murmurs, with noose to hear But himself and the peet and darkness;

"Merry times I've seen in these darkened Youth and beauty with gladness gay— Since first I waited beneath the walls, Bright with the glory of New Year's day. Yet many the dimmed and saddened hours-

Yet many the dimmed and saddened nours-Many the moments of wild regret! Faded and dead are the amaranth flowers, Too scentless to cherish, too dear to forget Brave hopes have been strangled by ru

Bright gleamed the light on the winter snow

Love has grown cold in many a breast

Love has grown could in anity 2 one.
Dear ones are aleeping in endless nigh
Heart are aching in cold unrest.
What matters it now? I wait alone,
Unloved, unwent, for the final end,
Who waite to bear my dying moan?
Who at this time is the Old Year's.

and the New Year clothed in !

When he welcomed the reign of the brig

I love to greet old Christmas,
- When the rime is on the bough

I love to greet old Chr. stmas,
When snow lies thick withou
Or old King Frost comes nippit
And biting all about;
For then the ringing laughler
Falls nipsuant o the ear,

Falls pleasant on the ear, And old friends gather round us To task the season's cheer.

I LOVE TO GREET OLD CHRISTMAN BY EDWARD M. SHINN

A NEW YEAR'S MORS

In leaftes woods the wind held tryst,
Ant warmly tell some showers of rain,
Then softened into billowy mit.
A vaporous sea that filled the plain;
But when the star of morning waned,
And glowed the East with purple light,
the more the colder winds complained,
and changed the mit to organish height. There, as if rippl s of the deep, By sunder spell had been congested. With dimpling smiles had dropped asless Wood by a fit bruese, kay cated field:

fully and obey them to the letter, for a little mismove might cause a great loss along. Thursday would be an uncomto the company and cost you your position."

I shall do my duty to the very letter may car.

The money was safely deposited in the letter, "I replied.

"I am sure you mean to do so," said to leave Thursday morning. It was set the next," when the cold a winter as the next, when the cled that their great flects and armies cled to a winter as the next, when the cled that their great flects and armies shore, and the English sentinels watched carefully at nights lest Washington against intelligence with inferior minds, might cross the river as he had crossed the leave Thursday morning. It was seen their error to the Jersey shore, and the English sentinels watched carefully at nights lest Washington. But the search to leave Thursday morning. It was seen their error to the person of the members of the light current bound and at the ice and snow of December gathered sist. Clinton, Burgoyne, Howe, had at their careful the use not so first shared in this conflictence, and fanwith its usual severity. It was not so first shared in this conflictence, and fanwith its usual severity. It was not so first shared in this conflictence, and fanwith its usual severity. It was not so first shared in this conflictence, and fanwith its usual severity. It was not so first shared in this conflictence, and fanwith its usual severity. It was not so first shared in this conflictence, and fantoold a winter as the next, when the cold a with its usual severity. Bews of the Beek.

A telegram dated Galatea, December 19

reports the steamer Byzantin, from Mar- step, supported by two priests, Father seilles for Constantinople, sunk in collision with the English steamer Rinaldo, near steps to the fatal trap in full view of two Gallipoli. One hundred and fifty lives were hundred people, as stoically as those who lost. Only fourteen escaped. The Byzan have gone before. When on the scattoid, the tin was commanded by Captain Dueros, and Sheriff asked: owned at Marseilles, France.

A Scranton, Penn., correspondent, says These are dismal days in the cabins of thousands of Pennsylvania coal miners. The starvation. Their words farnish Christmas grain elevators are bursting with the greatest harvest ever seen, even in this teeming New World.

Shirmish with Transpo At Piqua, Ohio, some fifteen tramps endeavored to take possession of the lunch stand at the Dayton and Michigan Crossing. Stevens & Brother, proprietors, shot several times at them with revolvers, striking one of them in the breast, and another in the pant of the murder has suffered the penhand. They retreated behind some cars, then rallied, armed with car links and pins, making desperate threats, which frustrated by the timely arrival of city police, who arrested several of them and locked them up for the night.

Beath of Bayard Taylor.

Bayard Taylor, Minister of the United toms, late reports spoke hopefully of his Davis had about forty men, and Morga-Chester County, Pa., on the 11th of January, more than average celebrity as a poet, hollow he was appointed by President Hayes as Minister to the Court of Berlin.

Florida Politica

The State Canvassing Board at Tallaha majority being thirteen. This zesult was are can majority, on the ground that one presinct was not included in the returns from w the U.S. Grand Jury for making a fraudnient return, and were piaced in tall at Jacks nyille in default of \$3,000 each.

Bitters, amusement, varied information

There is no modern fashionable notice

quite so about as the generally received idea that to be beautiful and attractive a woman must possess a wan, spirituelle face, and a figure of sylph-like proportions—a tragility in nine cases out of ten the result of disease. By many fashionable belles it is considered a special compinment to be spoken of as trail and deficate. They tor-get that the naturally delicate face and pente figure are very different from the pair and higure are very different from the pale and diseare stricken faces that meet us in the city thoroughfares, look out from the lux uriant carriages of westth, and giide languid y through our crowded drawing-rooms. It disease were unfashionable, as it ought to be, not a lady in the land but would take appray topsible proportion to prome the every possible precaution to ascure the fresh blooming face and well-rounded figure that only health can give. Ladies should remember that much as gentlemen may profess to admire the face and form. vale and emaciated by disease, when they choose a wife they prefer a blooming, healthful, huoyant-spirited woman. Dr Pierce's Favorite Prescription is the ac-knowledged standard remedy for female diseases and weaknesse. It has the two fold advantage of curing the local disease and imparting a vigorous tone to the whole system. It is sold by Druggists.

NO FAILURES ARE RECORDED of the famous outward specific, HENRY'S CARBOLIC SALVE. It is invariably successful in heal ing sores, curing eruptions, removing proud fiesh, and overcoming suppuration in others comparatively few parasites and inflammation. These sanative results were found. In all cases the hams were it accomplishes without leaving any scar or apparently free from trichina, those discoloration of the skin. As a local application for chronic rheumatism, sore and tightness of the chest, it is also highly spoken of. Sold by all Druggists.
