Hungarian's progress through this coun-boild as a hon, and crept cautiously down Michele Felice Corne. He bought a try. In Madison, Indiana, he spoke in hit on the curious expedient of confiding Angry, jealous, cursed by feuds,be the bedroom again.

It was one o'clock. I resumed my post

Michele refice Corne. He tonght a cry. In character the church of which my step-father was his wealth (some \$2,200) to his servant, the church of which my step-father was his wealth (some \$2,200) to his servant, as thorough a devotee of Henry V as

Two o'clock. The p-diceman passed without giving a single glance at the called "love apples," were thought to make room for the Germans, but I without giving a single glance at the called "love apples," were though to make room for the Germans, but I without giving a single glance at the called "love apples," were though to climbed, boy-like, from the parsonage bound. I spent my time in looking from the street to the door, expecting every moment to behold the burly form of a gaunt masked burglar erceping victously up behind my chair.

A BRAVE MAN.

Two o'clock. The p-diceman passed without giving a single glance at the called "love apples," were thought to make room for the Germans, but I climbed, boy-like, from the parsonage and buried.

The old servant promised her master to do as he enjoined, and, accordingly, on the morrow after the funeral of the latter, she set out on her journey, carrying the money with her in a little beasen missile in the hands of the speaker, depicting the coming lib-library presence and executed her commission. "It's my creditors that are embarcoming, and long after, tomatoes, then to make room for the Germans, but I into a basket, to carry it to the Count

be tempted to doubt this statement a heart.

| be tempted to doubt this statement a heart. | told me to-day that in 1824 she was sit | erty of Germany, had reached the sum- | presence and executed her commission: "4t's my creditors that are embar- | little later, and so I take the trouble to | Four o'clock. Still I waited, and still | ting with a sick person when some one mit of his tremendous declamation, and | The Prince, greatly touched by the in- rassed." be tempted to doubt this sastements ittle later, and so I take the trouble to repeat it: Iam a brave man. I am not a chebrated naval officer; have never rescued any human being from the jaws of death. I am merely a house-keeper and a brave man.

Our new girl, Betty, has been in the house for two months. We never found where the test of the girls of the section of the town had been serving when the street is section of the town had been serving an apportunity of being displeased, and were beginning to congratulate ourselves upon this unprecedented good fortune in selecting a domestic. My wife and son sportunity of being displeased, and serving the street of the first of the truth of the street. I gave a great sight of the truth of the street. I gave a great sight of the truth of the street. I gave a great sight of the truth of the street. I gave a great sight of the truth of the street. I gave a great sight of the truth of the street. I gave a great sight of the truth of the street. I gave a great sight of the truth of the street. I gave a great sight of the truth of the street in the figure of a many and the street in the figure of a many and the street in the figure of a many that the street is section of the town had been serving the for a wear previous. As late as it took fright at the appliance and begin into the street. I gave a great sight of truth of the street. I gave a great sight of truth of the street. I gave a great sight of the truth of the street is section of the town had been serving the for a wear previous and the market carts came along from the favored of the street, having the truth of floor and galleries was a standard to the truth of floor and galleries was a street in the church, and the through of the many to do the truth of the church of the town had been serving the form the figure of a many service and she is the left Bower. I have the figure of a many the service of the church of the church in the section of the town had been serving the form the figure of the service of the service
