MANCHESTER, MICH., THURSDAY, SEPTEMBER 18, 1879. GOSSIP FOR THE LADIES. tered the hopes of this disciple of Kent

Oh! about a year or so, with and tained the Prifee of Wales and a number of other titled people at his magnetic the cautions Howard, coughing after his guests had been shown over the beautiful place some of thitle.

I tained the Prifee of Wales and a number of other titled people at his magnetic. The young attorney and lind is variously described as sad, merry loud, soft, monotonous and various in its song. Hartley Coleridge tried to saloon on Woodward avenue one warm which its respect. rupted the cautious Howard, coughing devening after his guests had been Shown over the beautiful piece some or them."

Well, yes, about that length of time, "Swented my dear adjanced."

Now, Miss. Mu Muf-Muffins you have nother was a properhable woman.

Shown over the beautiful piece some or the beautiful piece some or them. Saloon on Woodward avenue one warm them sat conversing with him respect evening, and seated themselves at one of the little tables which are always not have not been under the sanswered thus: "Oh, no human being can tell why provided In the "Ministral and "objective lament". oh! you don't mean to insimuse that I. my mother was a remarkable woman; is no human being can tell why provided In the "Minstrelsy of the Woods" the with three chairs, one at the end opposite the with three chairs, one at the end opposite the song is described as a "plaintive she ment."

I.I. oh! oh! too much bliss—am the—she was once a farm servant; she lived—site the well and one at aither with a plaintive she ment. she was once a farm servant; she hved fourteen years in the same family; she had to milk the cows and churn the butter, and carry it to market; she had for a long time only 26 a year wages, and yet she managed to save a nice sum, and ber leisure hours were filled up with senance work and provided and placed upon the chair at the end to five read to find the minutes before an elderly gentleman had occupied that same table, and previous to carry it to market; she had for a long time only 26 a year wages, and yet she managed to save a nice sum, and ber leisure hours were filled up with senance work and plaintive lament. It is a curious circumstance that Shak speare, who described as a "plaintive lament."

Now it so happened that but ten minutes before an elderly gentleman had occupied that same table, and previous to eating his cream had removed a new set of artificial teeth, which he lad placed upon the chair at the end to make a sick man sick much quicker than it will is a curious circumstance that Shak speare, who described as a "plaintive lament."

It is a curious circumstance that Shak speare, who describes the song as a complaint, appears not to have been aware of the high table.

When the course of the wall and one at either side had to milk the cows and churn the butter, and carry it to market; she had occupied that same table, and previous to have been aware of the high that the cows and occupied that same table, and previous to have been aware of the high that to have been aware of the high that the cows and occupied that same table, and previous to have been aware of the high that the cows and occupied that same table, and previous to have been aware of the high that the cows are correctly speare, who described as a "Plaintive lament."

It fallic.

"Now, see here Pris-Pris-cilla oh! sum, and her leisure hours were filled let me call you by that melodious name. See here! I always loved you; not for your beauty, God knows, but for your beauty, God knows, but for your artlessness; 'pon my soul I did, and artlessness artlessness; 'pon my soul I did, and artlessness artlessness; 'pon my soul I did, and artlessness artlessnes artlessness; 'pon my soul I did, and present, "perhaps you are indebted to would have proposed to you only I your good mother for some of your sue-

occupants have vacated them.

The Tobacco Revenue. A special from Washington says: The loss to the revenue from the reduction of the tobacco tax for the month of July turns out to be \$760,000, which is in exact accept with the esnate of \$0,000,000 Loss yearly made by Com missioner Raum when Congress had the sub ject-under discussion.

The Maine Election The following is from the official returns the election in Maine, with the exception of twenty small towns and plantations, which, it is said will not materially change the result : Peric, (Rep.) Smith, (Greenback).

## Mub Law in Indians

Near Seymour, Ind., reside a man by the ame of Everetts, and three sons. They are reputed thieves, and Everetts is said to be a wife eater. For these unpleasant inconsistencies the neighbors of Everetts took them from their beds, tied them to trees and thrashed them un-

## The Chisolm Murder

The trial of Henry J. Gully for the murder of Cornelia Chibolm, her brother and father, on April 29, 1877, has begun at DeKalb, Miss. with thirty-two witnesses for the state and thirty-eight for the defence. The wife and of the murdered family on the stand; tells a singularly effecting story.

## A Son Shoots His Father.

James Covle and his father, the former killed the latter, shooting him with a shotgun. The difficulty arose from a dispute of tobacco, from which old Coyle applied some epithets to young san advanced upon the young one with a stick the son fired upon him with a shotgan and killed him instantly. Coyle and his wife were arrested and refused bail. They will be speedily

A illeration of the Old War Print A dispatch from Toledo, Ohio, says: "It has been decided to have a grand reunion of the prisoners of war during the late rebellion this city on the 1st and 2d of October, and stready about 2,860 of the old sufferers have notified the emmittee here of their intention to be present. A number of old officers will make dresses, and a grand banquet and parade are being prepared for."

The Manachusetts Greenbackers The Greenback party of Massachusetts have held a state convention, and placed the follow ing ticket in the field:

For Governor, Benjamin F. Bikler. Lieutenant Governor, Wendell Phillips. Secretary of State, Jonathen Arnold. Treasurer, Wilbur F Whitney. Auditor, Davis J. King.

Authorney General, Horace B. Sargent.

Three Thomand People Without Nerve A man by the name of Bales was sentenced last Friday, at Athen, Ais., to be hanged, bu counsel for the defense appealed the case to the Supreme Court. Impatient to await the slot head of justice, three thousand people collected at the jail, broke in the iron doors and took the prisoner out to the words, to lynch him. A free was selected, and a rope thrown over its branch, and Bales drawn in a wagon under it. No oil would tie the knot; whereupon, the sheriff drove the prisoner back to jail.

Mardered Mis Pather-In-Law. John Sharp, of McArthur, Ohio, last Monod his father-in-law, 'Squire D. T. Benjamin, for endeavoring to quiet a discurbance between himself and his wife. Sharp attacked the old man with a bladgeon of woo from behind, He then turned his attention with the billet, injuring them both seriously. He then fied, and at latest reports had not been red, although the Sheriff of Vinton sty and a pome of men were scouring the

## A Disastrous Explosion

Fiends in human form are evidently inde fatigable workers and seem to take exquisite delight in the destruction of life and property. ie, Ohio, a small village Columbus, in the cellar of the Corbin House, two kegs of powder were exploded at two o'clock in the morning. Although seven persons were sleeping at the inn at the time, they all miraculously escaped fatal injury. The ouse was made almost a total wreck, as also was the house of a widow lady that adjoins it. This is the third time this thing has occurred the Corbin House, and it is stated that it is because Mr. Corbin sells liquor. Can it be posrible that professors of temperance would resort meh erimes and rick of life in order that they might accomplish their desires?

What a Palse Report Did. At Cleveland last Wednesday, two shot were heard in quick succession on the third floor of the Kennard House, and persons rushing to room seventy-one entered it to find orge E. Clark prostrate on the floor, with two bulkets in his brain. He was undressed, except for a shirt, and tay full length in front of the lookingglass, before which he had evidently stood to take the fatal aim. Clark was a good merchant of Columbus, Ohio, and had gen at the Kennard House about a week. friend had showed him a clipping from the Cincinnati Enquirer, of last Sunday, which had been telegraphed from Columbus, saying that he had left the town in company with a noted Cyprian. He left a letter addressed to

The case has developed the us of the shotting of theorge Underwood, sr., the father and chief of the Underwood party who was killed at his home vesterday merhing.

#### The Maint Plettion

WEverything from Maine seems to be of a A meeting of representatives at Oldham, Republican flavor. Two hundred and none towns give Davis 46,796, Garcelon 14,152. Smith 29,621, scattering 5:3. The same towns represented. It was resolved to adopt short last year gave Connor 38,667, Garcelon 18,839, Smith 34,538, scattering 24. The Republicans in each week for one month. Fifty companies, majority in these towns is 2,529 against 4,334 opposition majority last year. Towns to be heard from gave last year the Republicans 17,887, Garcelon 9,369, Smith 16,833. If they come in like the others the total vote should stand: Republicans 68,500, Democrat- 21,000, of election.

Senator Blaine to Senator Allison, of Iowa "The result of to day's election may be briefly summed thus: We have carried a large majority of the House of Representatives and a majority of the Senate, apparently, though inmajority of the senate apparently, though over certainly. We have given our candidate for Governor a plurality of more than 20,000 votes over the tireenback candidate, and 40,000 over the Democratic candidate. Whether we have given an absolute majority over both will only be determined by further returns, and possibly by the official count. - On joint being in the by the official count. In joint baired in the Legistature we shall have a large majority, thus controlling the K-centro-Council and selection of all state officers. The majority against us last year was over 13,000, equivalent to 60,000 mgjority in Himois, to 80,000 in Pennsylvania, or to 100,000 in New York. To overcome this or to 100,000 in New York. To overcome this enormous majority in an off year, with no general election pending, was, of course, a difficult task, and our Republicans feel that they have made a splendid fight, with most gratifying results. an Republican State Con

The National Liberal League Convention The National Liberal League Convention held at the Grand Opera House, Cincinnati, on the 13th and 14th instants, was evidently a success in point of attendance and enthusiasm. Every state in the Union, we believe, was represented. Infidel Ingersoll, as he is called, a more elequent man than whom perhaps cannot be found upon the American restrum to-day, stood pre-eminently at the head of the column. From its inception he has been the prime mover in the new party, and upon its adoption mover in the new party, and upon its ad of preambles and resolutions, as its valiant captain, he evidently has no hesitancy in

In their proceedings on the 13th, a resoluiente, in Southern New Mexico, was jumped tion was adopted to the effect that a Liberal by Indians, and the herd guard, some seven or ticket would be placed in the field next year, eight soldiers of the 9th Cavalry were killed.

A great number of long speeches were made, the soldiers of the 9th Cavalry were killed.

# RESOLUTIONS

nations exact justice in all men, of whatever or persuasion, religious or political. nativals entangling allianous with none. the most competent administrators of our concerns, and the surest bulwarks against domestic concerns, and the surest bulwarks against anti-republican tendencies.

The preservation of the general government in its whole constitutional vigor, as the sheet-anchor of surpace at home and safety algrad.

Freedom of relicion; freedom of the press; freedom of persons under the protection of habous corpus; and trial by juries impartailly selected.

That, in order to effect the needed reformation in corporational and state convenients, we recognize Grand Lodge L. O. F. the formulation on the Light name of the prominent reference on the Light name with The Grand Lodge Letter the List with session at Baltimore on the list inst., with scheed, to wit.

The reform in the interests and welfare of labor, the opening of labor shall be justly distributed by the opening of labor shall be justly distributed. whereby the posturated labor shall be justly distributed among the productors of the country, and the boats of non-producers and parasites shall be reduced to a minimum; that the hours of 12tor should be sensed, that women should have equal compensation with men for their labor; that the employment of children under fourteen years of age in factories and

children under fourteen years of age in tarunace and similar works should be prohibited.

That all laws for the fining and imprisonment of those unemployed workingseen whom necessity compels to wander as an abalish "trange" in search of work are, in our judgment, unconstitutional and inhuman; that poverty is thereby made a crime; and, as those laws are executed in the interest of a class, we demand their repeal. 2. The reform in the currency of the country, by which it shall pass out of the hands of usurers, speculators and a banking-aristocracy into the hands of a government responsible to the people.

3. The reform in the use and occupation of land by

government responsible to the people.

3. The reform in the axe and occupation of land by which the title there shall depend upon its use, and upon its ownership, may be limited in amount for

which the title thereto shall depend upon its use, and upon its ownership, may be limited in amount for the public benefit.

4. The reform by which women shall be practically enamerasated and be given the control of hermally and of her destity.

5. Unversal, compulsory, secular education, firting all children, as they become citizons, for their practical, political and social duties in his.

6. That neither the general government nor the states should create any corporation except for the public good, and when any corporations become inimical to the interests of the whole people, though a comment domain, and that power should be exercised so that the grants to such corporations may be limited or wholly withdrawn. And generally the insolution of corporations derived from the people, over and above a reasonable compensation to the incorporator or investors, should go to the government granting the corporate pririleges, for the benefit of the people.

7. That the present methods of legislation by which the passage of important measures is accomplished by direct or indirect britery, log-rolling and pressure at the close of the sessions, without any knowledge by the people of what is done, should be radically reformed; that to that end the people should as far as possible have the reforeadant or beauty of peasing at the possibility and the processing when the people should as far as possible have the reforeadant or tower of peasing at the content of peasing at the possibility of peasing the proposition and the professional or possible have the reforeadant or the people should as far as possible have the reforeadant or the people of peasing at the people should as far as possible and the people should as far as possible and the people should as far as possible have the reforeadant or people people.

the people of what is done, should be radically re-formed; that to that end the people should as far as possible have the referendam, or power of passing upon all public and important laws, not only in their nassage by their Representatives, but also through their own votes, as is now done in adopting our con-stitutions; and that this method should be made practical in our national, state and municipal legisla-tion.

ion.

8. That public officers abould as a general practice be elected directly by the people, and be made directly and effectively responsible to them; that electoral colleges should be abolished, and the appointing power of officers elected be greatly limited.

9. That good morals and habits can be better 2. That good morals and habits can be better fostered by education, persussion, industry and healthy smusements, rather than by force and gov-ernmental interference. In this view we favor the repeal of all Sabbath, sumptuary and temperance laws, and demand that every phase of government and state education should be secular in spirit and and state education should be secular in spirit and and state education should be secular in spirit and practice, and emancipated from all ecclesistical relevance of certical countrol and minesore. The to this end, this convention adopt in substance the platform and principles of the National Liberal League.

Reported by the committee and adopted by the convention at Cincinnati, September 14, 1879.

Chairman of Committee on Platform and Resembles.

## New York Democracy-A Split.

The New York Democracy have held a con vention-a very stormy convention. The party in that state boasts two elements, or factions; the Tammany and the anti-Tam | CHEW Jackson's Best Sweet Navy Tobacc many. The party's convention met at Syracuse on the 11th inst. with a view to nominating a state ticket, the first place upon the ticket being that of Governor. A breach in the procodings was anticipated, and those who an ticipat it were not disappointed. John Kelly the leader of the New York City or Tammany Democracy, and Lucius A. Robinson represents the country or Ann Tammany element. When it became evident at the convention at Syracuse that the friends of the present incumbent were going to renominate their man, the Tammany party withdrew and assemwas chosen Chairman, and after proclaiming that they, and not the other crowd, represented two years ago among the Underwoods. A Democracy, Dorsheimer moved that John nominated Governor by arela mation, which medion was quickly seconded, and after the wildest enthusiasm, Kelly was de-

nor Lucius A Robinson. Thus, two tickets are in the field for the Democracy of New York.

Wealth of the Bonapartes. The first Napoleon endowed all his bear, and the next report was the kitting of family splendidly, as the master of Europe might have been expected to do. The records of St. Helena show that a sum variously estimated at from \$20, 000,000 to \$100,000,000 of our money was at the command of the exiled Em peror in Amsterdam, Frankfort and London. Notwithstanding the stories which have been current for years as to the pecuniary embarrassments of Napoleon III., before he became ruler of France, it is absolutely certain that at the death of his father, the ex-King of Holland, at Leg-horn, in 1846, he inherited a very handsome property. He had always enjoyed, too, a liberal allowance from his father, excepting for a time after the affair of Strasburg, of which the ex-King entirely disapproved. Bonaparte died immensely rich, as did Lucien also, and Jerome was wealthy, not only through the liberality of his brother, but in the right of his wife, a Princess of Wurtemberg. The fortunes of the Bonapartes came by the scepter and the sword, like a good many other
