L. KIRCHHOFER,

Over your innocest joys!
Oh, but the house is alive with your clatter— Shaking, indeed, with your nois Can't you be quiet a moment, sweet rover Soon the "old sand man" will sprint Then the day's feolic is done.

Come to my arms, for the daylight is dying, Closer the dark shadows creep; Come, like a bird that is weary of flying; Come, let me sing you to aleep.

the Dictionary.

Dear old Prof. Spectacles didn't care for the parade at all, but the boys at his that coming in at the window? Day-solemnly warned that should he attempt man and a young man were standing by A French "rentier," or an English academy teased him until at last he light, as sure as I'm alive, and I have nt to pass the limits of the town he shall a meadow. "Why," asked the young owner of "the funds," or a person who academy tessed him until at last ne agreed to take them to Broad street, where the procession was to march and street those rascally boys and that parade. I allowed to escape, and should be a limits of the town he shall be shot down like a dog rather than be man, "is this clover older than you?" may be possessed of real estate, occubes those rascally boys and that parade. I allowed to escape, and should be be "It is not," replied the other. "It is, pied or rented, enjoys a certain social allowed to escape, and should be be a limits of the town he shall man, "is this clover older than you?" may be possessed of real estate, occubes those rascally boys and that parade. I allowed to escape, and should he be where the procession was so match and told them it was nonsense, and I'll never taken alive, shall be sent off to Eastern though," returned the young man, "be-distinction on account of his "independabout twenty boys seated themselves on humor them again." the steps of the Tabernacle Church, near the public buildings, and waited Philadelphia Times. or the brass bands, the flapping flags, the flaring torches and the thousands of quick-stepping freemen to come along.

An along they came. Such a crowd the good professor had never seen. It reminded him of the Persian host against which the brave 300 had stood at Thermoryke. The music and the many men sent his thoughts flying headlong down the highway of history, and, while the boys were having a jolly good time reading the inscriptions on the transparencies, their teacher was drawing delight from a make-believe notion that Cresar's legions were passing in review.

An ammsing seene lately occurred at the St. Louis Hotel, in which a staid walks out into the cheerless street. A group of exiles, all pale and emaciated, are there to greet him, take him to some of their miserable lodgings, and fever in question is an eccentric individual, who have evidently tried to find other nevicually irritable, and now he is more than three-quarters on the transparencies, their teacher was drawing delight from a make-believe notion that Cresar's legions were passing in review.

professor's boys.

comparisons were perfect. He had a The clerk bowed politely, but still Governor of the province.

eyes were closed, his mouth was open ing, not the clerk, but himself! There and his hand rested between the leaves of his big dictionary. "Oh, I see!" said the professor, suddenly. "What do you see?" said a dozen little imps, who were dancing on the dictionary.

"I see now who you rascals that carried the buckets and tin cups are." chorus; "he sees, he sees." "And was made for men. All a mistake; it "Yes, sir." now," said the professor, "each one of was simply intended for boys to amuse you give an account of yourself. Here, themselves in. Who enjoys life except you, sir, stop dancing and recite." At the boy, if we except an occasional girl

yon, give an account of yourself. Here, you, sive steps that this word of command a dwarf felded his arms and said.

**The same and said.

**My name in Etc. I weep constantly to think they do, and some really in think they do, and some really in think they do, and some really in think they do, but they are mistaken.

**Special in a box in the back room may take them home to your mother, and they in spite of the amendments to the constitution. I came into the sunction as secondary for the most useful dittens of Bome. My father, and mother were to not into the most useful dittens of Bome. My father, and so in England and America. My mother, lift, P., was of the same consequence in Bome with the wife of Bernha and moved the same consequence in Bome with the wife of Bernha and moved the same consequence in Bome with the wife of Bernha and moved in the same socked, in the sunce of the same consequence in the same socked, in the sunce of the same consequence in Bome with the wife of Bernha and moved the same consequence in Bome with the wife of Bernha and moved of the same consequence in Bome with the wife of Bernha and moved on the same socked, in Bome I was known as Mr. Others is to-day. with the Democrats.

Mr. Logan endeavored to call up the Grant Public Debt Statement Bills for the prevention of adulteration i

Rulers.

A London cablegram, dated February 3,

that Indiana would get nothing, and New York with an ax. It seems that his wife and the would get the Secretary of the Treasury.

Also Conling will not antisposize Gardald.

A Decatur, III., special says: "John A Hornstein, a German citizen of this place, attempted to kill his young wife, this morning, making a desperate stab at her wiffs a knife, and then pounding because the head with a kettia. Two gentlemen interfered, and he then pounding because the head with a kettia. Two gentlemen interfered, and he then pounding because the head with a kettia. Two gentlemen interfered, and he then pounding because the head with a kettia. Two gentlemen interfered, and he then pounding to kill himself, he seized a common wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat and carried the body of his wife into a clump of the form would not be interfered.

The second only a common the body of his wife into a clump of the form would not be interfered.

The second of the Secretary of the Treasury.

A Decatur, III., special says: "John A Hornstein, a German citizen of this place, attempted to kill him young wife, this morning, making a desperate stab at her wiffs a knife, and the man discovered by her projection, and fortunately for her safety, the other woman. He fled from the revolver and shot himself twice in the head, and failing to kill himself, he seized a common wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hacked away with it at his throat wood saw and hack wood saw and hacked away-with it at his throat
and carried the body of his wife into a clump of
the furnace, an ordinary reverberating smeltwoods near by, and huried it by the light of a
ing furnace, becomes intensely heated, so much
Taylor. Fragments of the boiler and furnace
