Year by year the taxes have been increased and have assumed proportions out of all reasonable relation to the yield of rice fields and sugar plantations. The people protested feebly against new impositions. but as opposition to the government increased the rigor of the rule grew. and hundreds of men and women were deported without trial to the penal colonles of the Caroline and Marianne of these taxes, for they receive a per-

other provinces because of the ancient rivalry of the races, the surest safeguard of Spanish rule. This is a factor in the politics of the islands that the government fully appreciates, to the point, indeed, of encouraging the factional enmittes. quest by Magellan the islands were ruled by warring Sultans, and there still remain vestiges of numerous tribes.

Because of his inactivity and apparent indulgence to the rebels Blanco was denounced in Madrid by religious bodies. What exasperated the priests most was that he refused to kill Rizal, who was by them proclaimed to be the principal factor in the rebellion. As a matter of fact, however, this does not appear to be true, and no just cause as given for such summary action The elergy sought revenge upon Rizal above everything else for his denunciation of them to the people.

Rizal's Tragic Career. Rizal was a pure-blooded Indian, who was brought up by the Dominicans of Manila. He went to Europe, studied medicine, law, sciences and foreign tongues, and returned to Manila honored with the highest degree of conthe inexorable foe of the corrupt clercalled "Nolle Me Tangere." in which he showed the despotic, rapacious and debauched nature of the priests of the country. This book was placed in the Index Expurgatorius and the author's goods confiscated, his brothers deported, his aged mother banished, and him-self relegated to the Island of Mindanao, entirely peopled by Mohamme

dans, mortal enemies of Spain. - Rizal lived in this exile for several years, until he learned that physicians troops fighting in Cuba. He offered his services to Spain, which accepted them, and he embarked at Manila for Barcespla and was ready to leave for Hayana summarily tried, and executed. This who had succeeded Blanco. While Rizal was on his journey to Spain rebellion had broken out, and the anger of the authorities against him was aroused by new charges of perfidy made by which take from them everything they the priests, to whom Polavieja was devoted. The execution of Rizal made ernors are energetic in the collection the rebellion more furious, and the insurgents sought as much to avenge his was the martyred hero of their cause first victims of the rebels were the priests.
