Sure Cure for Colds

When the children get their feet wet and take cold give them a hot foot bath, a bowl of hot drink, a dose of Ayer's Cherry Pectoral, and put them to bed.
The chances are they will be all right in the morning. Con-tinue the Cherry Pectoral a few days, until all cough has dis-appeared.
Old coughs are also cured;

we mean the coughs of bron-chitis, weak throats and irritable lungs. Even the hard coughs of consumption are always made easy and frequently cured by the continued use of

We read in your paper that more goods have been sold during this holiday season [Furniture we mean] than was ever disposed of before in Manchester at a holiday time. This is as it should be, only it ought to be five times the quantity that it was.

HIM THE OLD RELIANT We would hate, yes fairly dread to do business in a town where we had no competition. We might be Abraham Lincoln or a George Washington, but even OROS then some one would think as we had it our way that we were charging twice as much for an article as we should. And we actually would be afraid of ourselves. We would be afraid that we would get lazy, shiftless, and indifferent, that our store, our stock, our methods would get behind the times. We earnestly believe that bright, honorable, hustling competition is a blessing to tot affected by Heat or Cold. the people directly engaged in the business, and of uniwill value to the whole community. Manchester with by FRAZER LUBRICATOR GO. two Furniture stores can satisfy and please all its people—taking a train and leaving Manchester dollars somewhere else is a thing of the past. Now you do not have to pack your satchel and travel, and on the other hand you CAN AND SHOULD cause lots of your friends and relatives to come to Manchester by telling Is now on. No humbug about it. It is the sale of all sales and you cannot them of the splendid stores and fine assortments we have in your city. Speaking of our own store, you will never find us standing still, we are always trying to make our place, our methods and arrangements better and better. Before we are done we promise you that many a customer will come to Manchester for their goods, that have never left a dollar here before. Is this as you want it? If so, don't be afraid to advertise a little yourself by telling your friends. Come with them to our store. You will not be disappointed. With your patronage, your interest and kind words wonders can be accomplished. Say what you can.

Truly yours,

GALLUP & LEWIS.

Chatelaine. head of the party who has last spoken. The driver dodged the missile. If you would be fashionable you the variation is as much as one degree en. The driver dodged the missile, vowed vengeance and left the room.

Ten days later the employes of the Boodleopolis horse car railroad struck.

They demanded one dollar and seven ty-five cents a day-and a reduction of the hours of labor from seventeen to fourteen. The directors replied that they considered a dollar and a half an extravagant sum for a day's work, and could not possibly pay any more; and swith regard to the demand for shorter.

If you would be fashionable you the variation is as much as one degree per foot. Thus if at a distance of ten feet above the ground the thermometer feet above the ground it might be 32 degrees or at the freezing point. For this reason valleys are more likely to be cold. The directors replied that of the crescent moon. Fiddles and banjos dangle from the long chains and so do woodcocks, fox terriers and sumble to keep its position, but gradually flows down into the valley like a almon, these charms being occasion- ually flows down into the valley like a nen seven hours out of the twenty- woman of fashion must persone hours and of the twenty- woman of fashion must persone hours and of the late of the man and thought it quite sufficient.
