and See, it becomes easier to tell them of new things and of new ways. Folks realize now a days that the little eighty or a hundred rods square on which the village

sits is but a small part of this big earth. When we tell them of the great big store only a few miles from them and of the wonderful assortment found therein, they do not doubt it; they know it's so, and it will not be very long before everyone will fully realize that such stores possess a hundred and one advantages for a customers that a little store and a little stock cannot offer. Cash buying of great quantities is the one great inducement for price making. Our

-for Big Boys, ages 9 to 16.

buying is all done on that plan. Our close

prices on good goods are what give to us the best trade of lower Michigan. That's why people take a day once in a while and come the

little distance necessary to reach us. They have found that it's not much of a chore to get ready and that they can go and come much quicker than they imagined they could. Try it,

make a little trip, have a little vacation, come to the hig store in Jackson and see the sights. Don't buy a nickel's worth if you don't want to, our desire is to have you see and know of what we speak. We promise to show you more home furnishings Furniture, Carpets, Crock-Drapéries, Rugs, Mattings, Linoleums, etc., than you ever saw before in your life. We also promise to give you lower prices on such goods than you can get anywhere in Michigan. Only a little trouble to try. and big pay for trying.
