home Tuesday.

Resolved. That we deem the possession by this government of the island of Cush and protection of our great and rapidly increasing occumencial interests; that its acquisition would not only greatly benefit the agricultural, mechanical and commercial interests of the whole country, but would put an end to the importation of alaver from a firite, who now find their market on her shores; and that humanity and interest therefor impose upon the general government the duty of obtaining agronument and government of the many as also drowned in the grant of the importance of alaver from a firite, who now find their market on her shores; and that humanity and interest therefor impose upon the general government the duty of obtaining possession of Cuba whenever it can be done consistently with honor and justice.

The shift of see Meadances Balley and control to responsible of name of the shared of a section, in any protection of our great and rapidly increase.

Another Stride!

One more effort to please and satisfy. One more change that will be appreciated by the public, We considered that we had the lightest and brightest "Carpet Room" in lower Michigan, but it didn't quite satisfy. We have added to this department another great store, 22x90 feet. We have cut hrough the solid walls on the west and put in nice large windows; by adding this great room it gives us the largest and finest "Carpet Salesroom" in the city. We have stocked this Manchester, Mich. room with the brightest and best that money can procure.

In this department as well as in all other parts of our house our buying is done for spot cash. Every concession, and discount obtainable we get. We have saved to the people of Jackson and the surrounding country almost a little fortune by our early buying of Carpets, Linoleums and Curtain Goods. What a for they are to The sharp advance and continual climbing of this kind of the beart. Even more goods has placed the late buyer in a very bad position.
