Ing it forgot that he was not at the office.

At the Brown house the maid looked surprised. Miss Stella, she said, was not expecting callers. Would be step in the parlor and wait? He would.

Half buried in a wealth of pillows, VanAlster pondered. The boy had told him the note had been delivered to Stella Brown in person. He could not understand. When Stella entered and extended her hand, looking more charming than he had ever seen her, the twinkle-in her eye only increased his mystification.

If health may be defined as a capacity for hanging on to life, then in many cases the weakest are the health iest. If such a definition is accurate women are healthier than men, their Mrs. Pinkham is a wothe twinkie-al act eye only increased his mystication.

"I'm so glad to see you," she said women are healthier than men, their average length of days being greater thoughtful."

"But the how " ana, merely because they are centenary thoughtful, the said said what life is a sociated to the more serious."

"Yes, I know," the girl went on. I'ans are absolutely the healthies. It says of the more serious.
