A franchise was granted by the township board at Holly on the 17th to the Taylor Sawyer Smith electric road, which will run from Flint to Pontiac. They now have all the necessary franchises. Farmers about Vicksburg will experiment in rai-ting tobacco this year. An experienced grower of the weed has located there and will instruct the farmers in the care and cultivation of tobacco plants. Two rural free mail delivery routes were established at Tekonsha. April 2 and are giving excellent satisfaction to the farmers. During the first 10 days of the service the carriers handled 2,500 pieces of mail. Otsego has a chance to secure a canning factory, but the subscriptions for the necessary amount of stock are not coming in very rapidly, and it is doubtful if the industry will be at led to the village's present list. Attorney-General Orem says that where private lanks are situated in township different from those in which the owners reside, these banks are to be assessed in the townships where the business is carried on. Cheboryan's military company will probably now get the armory it has long wanted, the supervisors at their recent session having voted to give \$3,000 of the county funds toward the erection of such a building. The supply of dwelling houses a Dowagiac is far behind the demand and until it eatches up somewhat there will be little chance for the village to grow in population. Nor is the out look for the construction of any more very promising, the people who have money to build holding off on account of the present sky-high prices of all building materials. A telephone was put in the rear of the pulpit of the Episcopal church a Battle Creek and connected with Kala mazoo, where a party of friends of the pastor, Rev. Mr. Osborne, listened to the sermon. A phone was also put at the bedside of Miss Fannie Reynolds one of the members, who has been bedridden for 20 years. She heard the entire service distinctly. The records of the register's office in Oakland county shows that 5,150 mort gages were filed from January 1, 1883 to January 1, 1900. With the exception of the year 1895 every year since 1885 has shown a decrease in the number filed. During the month of March 44 mortgages were filed, 25 assigned and 309 discharged. So far this year there have been 211 filled, 62 assigned and 309 discharged. Lansing business men are taking an active interest in the proposed electric road from that city to Alma via St. Johns and Ithaca.
