## Millions of Women

USE CUTICURA SOAP, assisted by Cuticura Ointment, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stonping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, for baby rashes, itchings, and chalings, in the form of baths for annoying irritations and inflammations, or too-free or offensive perspiration, in the form of washes for ulcerative weaknesses, and many sanative antiseptic purposes which readily suggest themselves to women and mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used these great skin purifiers and beau-tifiers to use any others. CUTICURA SOAP combines delicate smollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicated soap ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toflet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines - ONE SOAP at ONE PRICE, viz., TWENTY-FIVE CENTS the BEST skin and complexion soap, the BEST tollet and BEST haby soap in the world.

This picture tells its own story of sisterly affection. The lder girl, just budding into womanhood, has suffered greaty with those irregularities and menstrual difficulties which sap the life of so many young women.

Lydia E. Pinkham's Vegetable Compound can always be relied upon to restore health to women who thus suffer. It is a sovereign cure for the worst forms of female complaints,-that bearing down feeling, weak back, falling and displacement of the womb, inflammation of the ovaries, and all troubles of the uterus or womb. It dissolves and expels tumors from the uterus in the early stage of development and checks any tendency to cancerous humors. subdues excitability, nervous prostration, and tones up the entire female system.
