Reading for mere entertainmen without reflection. Reading when we ought to be doing some other thing.—Ladies' Home Jour-

Manchester Enterprise WILD TIME WILL BURGLANS.

Armada and Richmond the Scenes of Excitement.

mite Explos on, Shooting and Chase of Thieres-A Good Shot by the Village

Burglars' Work Frantrated. Between 2 and 3 o'clock Saturday morning the village of Armada was startled by an explosion, followed by a fusillade of pistol shots. An investigation showed that burglars had entered the D. H. Barrows general store, d fire on the citizens as they rat lever, and in a little time they had got out of range. The burglars reached Richmond, to, which place notice had been sent by phone. When the

Bank at \$117, the total being \$139,000; the Branch County Savings Bank at \$127, the total being \$63,500. The Cold-\$127, the total being \$135.500. The Coldwater & Quincy Coment Co. have been assessed \$500.000, which is more than double—former—assessments. The Coombe Milling Co. have been raised from \$67,000 to \$75,000. The Union City Cement Co. was raised \$20,000. J. B. Branch & Co., dry goods merchants, were increased \$10,000. Woodward & Sons, also dry goods merchants, were faised \$5,000. The Coldwater—Gas Light & Fuel Co. was lowered some \$3,000. When the officers got to the car they found one man, badly wounded, whom the others had brought this far and lessened their own chances of escape by so doing. The fellow was taken to the locking and given medical attention the lockup and given medical attention and was told that his wound was fathing about himself or pals, but this morning he told Rev. Fr. Kilroy and others who he was. He says his name is John Graham and his age is 22. He said his father, who hears the same is John Granam and his age is 2. The said his father, who hears the same name, lived at 112 Roof street, Cleveland, O., three years ago, when he was home last. He gave a description of his associates and said he did not know their right names; but that they went by the names of Bob. Jim and Wischen the latter hains; 20 years old Woodey, the latter being 39 years old

himself, as a telegram sent to his father's address was returned undefather's address was returned under the livered, with the information that the family had moved. Although posses were sent out to scour the country. the other burglars escaped.

Richmond Graham, the wounded burglar, died Sunday afternoon. No.

has been received from friends the two companions of Graham in the robbery of the Armada postoffice.
There is no Further clue to the latters'
whereabouts. The horse and buggy e found in a cornfield 8 miles nor

his recapture shortly after his e "Bay City Whitey," also a member of the escaping quintet. The latter was shot and killed while trying to escape after having robbed the house of a priest in St. Paul de la Croix. Graham came of a good family in Cleveland. The only request he made while un-der arrest in Toledo was that his real name he suppressed so that his family

could never know of his downfall. Butts Got the Limit.

the Worden Grocery Co... convicted a year ago of embezzlement of funds amounting to \$9,000 returned from Cleveland voluntarily in response to a summons from the court and received Butts was formerly one of the bestknown men of the city. He was a high flyer, but his arrest caused a great sensation as he was a son-in-law every effort was made to clear him. Further investigation into Butts' methods showed that he had made away with \$39,000 of the firm's money during his rioteus career, but he was tried and convicted on the charge of embezzling but \$9,000 of it. He was given the most scathing lecture ever heard in this city, the judge telling him he was a disgrace to the city, and to his family, ending he giving him the limit. Butts thanked the court sarcastically, and was led away to jail.

-Earl Tarbell, of Nashville, stumbled and fell, running a snarp corn studile into his right eye, which will probably be destroyed.

John M. Messner, an old resident of, Calumet, was found dead in bed Sat-urday morning with a pistol wound

in his breast. Frank Lavin and John Chandler have confessed to being the perpetra six burglaries committed in

Grand Rapids. It cost the undertakers of the state about \$10,000 to take the examination for embalmers' licenses, of which the state received \$1.955 in fees.

The state LAN commission has final ly triumphed in its controversy with the city comptroller of Bay City, who refused to turn over the tax rolls of An aged Port Huron woman named Mrs. Emma Hastings called on "Prof." Mrs. Emma Hastings called on "Prot."
Wyman. Wyman had recently been convicted of practicing palmistry and fined, but appealed the case. Mrs. Hastings had heard of the wonderful things that Wyman was accredited with accomplishing, and asked him to find a fortune for her. She says he told her that it would be necessary to the city for review.

Mrs. John D. French, of Leslie, who Mrs. John D. French, of Lesne, who is charged with feeding her husband poison, was adjudged insane in the Circuit Court and committed to the state asylum at Ionia.

Blythe Honey, aged 8, daughter of W. N. Honey, of Standish, fell through bring ten \$20 bills to him. She did so, and seated herself at a table with the professor. He insisted that she place a skylight in her father's store, strik ing on the edge of a large barrel: The chances are against her living. the money in an envelope; then he placed five stamps on it, and after a

Baptiste Viola, an Italian miner, em

ployed at the Calumet & Hecla min

handed the package to her, telling her to take it home and place it in the fam-ily Bible, letting it remain there until met instant death by falling 500 feet down No. 2 shaft of the Hecla branch. Viola left a widow and several chil-Wednesday of this week. But Mrs. dren. Hastings' womanly curiosity got the better of her and she opened the pack-Nathaniel Vernon, of Owo age, only to find a number of pieces of brown paper where her money should have been. Wyman's where-abouts is unknown.

der arrest charged with beating his wife, who is confined to her bed as a result. He claims she attacked him and that he was compelled to fight for Fr. P. J. Slane was wanted in Durand to see a dying man. Engineer William Ryan took the priest aboard his locomotive, threw open the throttle

and made the distance, 13 miles, in 10 minutes. A handcar was abandoned on the Michigan Central radiroad at Battle Creek Monday, and it is believed it was used by the two Armada postoffice relabors unto winned from the Macomb robbers who escaped from the Macomb

ounty officers. The River Raisin Club, of Toledo, elebrated its first clambake at Monoe, about 40 members enjoying a trol-ey ride to the club house on the river and spending the day in eating, hunt-

ing and fishing. R. A. Brockway, of Jamestown, N. Y., who robbed the Vernon Grand Trunk depor in August, was released by Judge Smith on suspended sentence. The judge decided to give him

Probate Judge John Vanderwerp, of Muskegon, has resigned. It is understood he will join the law firm of Smith, Nins, Hoyt & Frwin. The pidge has three years yet to serve at a salary of \$2,500.

Lucy A. Pike and Elmer Holma quietly left Lapeer recently and were married. A license was procured about two years ago, but Miss Pike's mother objected on account of her daughter's age which was 18. Burglars made an unsuccessful at-

tempt to break into Osgood & Ste-phens' clothing store in Mendon, They were evidently frightened away, as they left their tools in front of the store.-B. G. Stockton, of Flint, who has been blind for 18 years due to catarasts on the pupils of his eyes, is a happy man again. A Saginaw surgeon successfully performed an operation, and he can see. CZOLGOSZ SŁOOK IN TEKROR

Collapsed.

SIGNS OF REMORSE SHOWN.

Anburn Prison-Revived With Brandy -In His Cell With the Death Watch Awaiting the Date of His Electrocution

ley's assassin, occupies a cell in murderer's row at Auburn prison. Here ne will remain under the constant watch of two guards until October 28, when he will be marched to the death hamber, and put to death. Until that time Czolgosz will be permitted to see no one except a priest, whom he has onsented to receive.

ling. Czolgosz was dragged from the train by the brawny guards. He was handcuffed between two deputies. Twenty local policemen attempted to keep back fine crowd which surged about the assassin clamoring for his life. The onslaught was so sudden that the police scarcely had time to draw their clubs and revolvers. The prison gates swung open and the assassin was pushed through, but not before some of the crowd had rained before some of the crowd had rained blows on the officers and their prisoner. The distance between the gate and

prison steps was quickly covered. As the assassin reached the steps his legs gave way, and, meaning and shricking, he was dragged into the office and

to the death chair. Upon reaching his cell, the prisoner partially recovered from his fright and by morning had assumed his manner of stolid indif-

however, that he was alone in the plot.

To Be Electrocuted Oct. 28.

they were scarcely audible.

"Have you any legal excuse why sentence should not be pronounced

and then he said something in an inaudible tone. The judge intervened and explained what was meant by the question.
"First, you may claim you are in-

nounced against you?" The judge also stated legal reasons

the prisoner might have against sentence being pronounced.
"I have nothing to say about that," was the reply.

ly be heard. Judge Titus was obliged to repeat it sentence by sentence, so court might hear "I have nothing to say," whispered

Czolgosz. According to the law of this state. Oct. 28 is the earliest date that could be fixed for the execution of Czolgosz.

Accordingly Judge White sentenced Accordingly Judge White Czolgosz to be electrocuted week beginning October 28, 1901.

Seth Low Confident.

Seth Low, president of Columbia unirsity, has announced that he will resign from the university as soon as he is notified of the action of the Citizens' union and Republican committee in nominating him for mayor of New York. He believes that chances for an anti-Tammany victory were never so bright before. Already checks are being sent in by men prominent in busi and finance - Men who contrib uted to the large fund of the Citizens union four years ago are again com ing to the front

Samuel Gompers, president of the American Federation of Labor, and John Mitchell, president of the United Mine Workers, are out with an open letter to President Shaffer, of the Amalgamated Association, inviting Amalgamated Association, inviting that gentleman to prove the assertions he made in connection with his statement as to the settlement of the steel strike-to wit, that Gompers and Mitchell extended no aid, and neglect ed to interest themselves in the affairs of the steel workers.

Lincoln's Casket Opened Despite the protest of his only living child, the casket of Abraham Lincoln was opened Thursday in the presence of a small assemblage, headed by state officers in their capacity of trus-tees, and was then resealed and con-

signed to what is intended to be its

last resting place in a bed of iron and mortar below the shaft of the Springfield. Ill., national monument. Fourteen years ago, the last previous time when the body was exposed to mortal gaze, the face of the first martyred president was black. It was white Thursday. The transformation was so unexpected and the fumes so

overpowering that the casket was quickly shut,
All of those present, sixteen in num-Ber, were pledged to secrecy, but it is known that the proposition to open the casket was vigorously opposed by several, and now the act is denounced s sacrilegious and due only to a de ire to satisfy morbid curiosity.

Col. Robert T. Lincoln was not pres ent, or his protest would probably

have been respected.

Columbia Wins First Race.
In the closest and most soul stirring race ever sailed for the old America's cup, the white flyer Columbia beat the British challenger over a windward and leeward course of 30 nautical columbia. cal miles by the narrow margin of 39 seconds. As Lipton's latest aspirant for cup honors must allow the defender 43 seconds on account of the extra 833 square feet of canvas in her sail area, the official record, under the rules, gives her the victory by 1 minate and 22 seconds. As a spectacle the contest was superly. From the time the two sky-scraping facers cross-ed the starting line until they field across the finish line four and a half across the mist much four and a hard hours later the result was in doubt, and the excitement aboard the excur-sion fleet increased until the men became frenzied and women almost hys

Col, William M. Van Horne, of the Tomory of the States Infantry, Commander of the garrison at Fort Sheridan, will probably be retired from hag was at half-staff, but still more at the attitude of the officer who permitted it. The colonel is reported to have said when questioned about the propriety of the dance: "If I did not think it was all right I would not have permitted it."

Prepared for War.

The miners' strike at Madisonville, Ky., has become serious. State troops are ordered out, and bloodshed may result. The union camp is situated in sight of the mines and from territory adjoining this camp there has been directed a desultory, but harassing rifle rected a desultory, but harassing rifle fire at the deputies guarding the Reinecke property almost daily. There are 300 or more men in the union camp at Bulgaraget 1. at Bakersport, 13 miles east of Madisonville, on the edge of the adjoining county. They are provided with guns, keep sentries guarding the approaches and conduct the camp in military style.
One of their officials is an exarmy man.

where the postoffice is located, and exploded dynamite in cracking the safe. The charge was so heavy that the door was blown off, tearing its way through the celling and out into street, a distance of about fifty feet. Right opposite the postoffice is the drug store of E. F. Phillips, who lives upstairs. Mr. Phillips regalized immediately what was up and grab-bed his revolver. Then for commenced to pour lead into the store across the way. Having emptied his revolver he selzed his shotgun, the burglars now being in the street, where they opened hre on the citizens as they fair.
Philips raised his gan and fited at the retreating forms. One of the crooks was seen to fall, but his companions picked him up quickly and started for the railroad track. Again the man fell, and it was concluded that he was seriously wounded. The other two men however, unnaged to other two men, however, managed to get him on board a handcur, and while one of them kept up a fusillade on their pursuers, the other worked the
