For Dyspepsia and Stomach Trouble.

For Curing Lazinesa.

Rollo Ogden, in his brief and very readable blography of William H. Prescott, the historian, cites many passages from the diary showing Prescott, shabit of flooging himself to his work by making wagers with his secretarios that he would complete a given task by a certain day, the odds always heavily against himself. "Prescott always took this betting on his own industry with perfect serious ness. Somotimes he would radiantly speech his recretarios with 'You have lost! You owe me a dollar.' And he would exact payment. Occasionally he would, with webogene counternance, produce and pay over to the protesting secretary the \$20 or \$30 he himself had lost." One elaborately made, memorardum withersess that way. It does not form a mat to keep made, memorardum withersess that he meisture from the group of the

Taced with the coarse lace, and an wine and drooping over the hair at the left side. If the wearer feels that in touch of color will make the hat prope distinctive it may have the crown a mass of green leaves or Summed entirely of pansies, forget-me-mons or bine hyacinth blossoms. The Newest Corset.

The new corset has a twelve-inch Hoges the depth from the waist line the lower edge is sixteen inches. This section of the corset is boned with fine single whatebones. From the wast up the corset is formed of four horizontal shaped bands, ranging from one inch and three-quarters to bene inches wide, the unter hand he rang finished at the top by platted net range. This is especially adapted to rangewaisted, full figures. Many, and in fact most of the new corset models where the higher bust line, but not more an inch higher, with the dip as toop as ever below the waist line.

SMEy finish. But then the cuffs and troops and structured for the linen.

The substituted for the linen.

The substitute for the linen. cream and champagne tones. This shoulder line of the your is eminently one is simply dotted and is combined graceful and the full sleeves, with "To give the heart precared the good style with the faring brim makes an admirable contrast, but most becomingly. To make the waist "What is the time".

A father with grave race in maning non.
"The time to strive," saw Fine,
"To tell for others and ter others thrive." "What is the time?"
At last an old man, bent with yeary and
care, the question puts
"The time to dee," sain Fate.
"And in the earth which newshed thee

More names was an endless day fact.
