## WORLD'S FAIR FAR BEYOND EXPECTATIONS

Verdict of a New York Writer Who Spent a Week at the Exposition at St. Louis in July.

e World's Fair at St. Louis is on parts do justice to their nobility infinite variety, and as a role the full in the midst of its spiender sea.

Colossal: complete, cosmopolic the major of the pround plane and the strength of the strength of the major of showing it—the major of special type of the major of showing it—the major of special type of the major of showing it—the major of special type of the major of the group legisled still.

It is a case of side at the German in the strength of the strength of

world as no other enterprise of the manner of showing limits insulated present year. From all nations there are marked from the manner of this group lepided stiff and from all nations there are making in this short control theory and the manner and tensions. On the right and the manner and the properties of the group lepided stiff and the manner and tensions. On the right and the properties are the great and severage and tensions. On the right and severage writer from New York are the great and severage writer from New York are the first are the Varied in an accordance with the severage writer from New York are the control of the properties and severage writer from New York are the control of the properties and severage writer from New York are the control of the properties and the left, manner and the left and an exception of the left and the world of the properties and severage writer from New York and the left and the left and severage writer from New York and the left and th

in the expressive language of the above the noor level of the buildings, waiters and beer. For a bit of limits, this character, shown conspicuously in his peculiar clothing (2 Kings 1:7, 8), cay, St. Louis has the goods." I had mentioned and crowned by the great derivanty. France and England all the story of Naboth's vineyard, was even if he had not seen the prophet expected much of the Louisiana Purters and the East and West Pavilions—and the East and West Pavilions—and touch with the making of it from its the Fine Arts building directly behind and, but time-saving tips for the tray the most dangerous women that ever almost abjectly terrified. Apart from very inception, 24% for power, levels and the language of the prophet which the making of it from its the Fine Arts building directly behind and, but time-saving tips for the tray the most dangerous women that ever almost abjectly terrified. Apart from very inception, 24% for power and the character, shown conspicuously in his peculiar clothing (2 Kings 1:7, 8).

Against Elijah personally the wrath wielder of his power."—Farrar. "Art thou that my lord Elijah." R. V.. "Is it had rebused Ahab to his fare! thou that my lord Elijah." R. V.. "Is it had he was considered to be the cause of the devastating drought. For the prophet wastes to words over his termast three and a half years Ahab had been searching everywhere, to wreak his rengeance upon him.

With all these terrors in the way, Elijah was not left without some cheer. God promised. "I will soud point of the stewards rejoinder is the rain upon the earth." Going with this hopeful announcement, and strong in to be found of Ahab, and zo the king's

One of the argeniest, and certainly of the alps and there is a in making a selection out of the activity, methad of reposition as the advance offered.

One of the most agreeable of my many surprises was the extreme beauty of the main group of buildings. For the simple reason that the camera does not exist which could take in the vast picture as the eye sees it, the early views of the group—a bit here and a bit there—gave a scent idea of the schema as a whole. Not did the schema as a whole, Not did the ferries and some genuine Spanish confortable.

Spinness of the Alps and there is a in making a selection out of the activity, methad of reposition and the object of the Billion of the Billi
