We all like to get the greatest pos sible value for the amount of money we lay out in building. But there are a great many different ideas in regard o house value, as in all other lines of production. A dollar in building will spread over a large cheap surface or a small expensive surface, and it is not every builder who knows how to discriminate or just where to draw the ine. There is a great satisfaction in having a house thoroughly well built and richly finished inside. Little change in the make-up of the forces that do the state's business at the capital is expected after January I, the beginning of the second term of the governor and of all the state of-Scers with the exception of Lieut. Gov. P. H. Kelly, who new occupies another state office, and of Superin tendent of Public Instruction, L. L. Wright, who, in reality, is the only Wright is very likely to choose for his deputy Walter H. French, who has and Superintendent Kelley. The other held that position during the adminis-trations of both Superintendent Fall deputies and officials are expected to be continued, but there will be a few changes in the clerkships. The gov-ernor, at the beginning of his second will have an unusual number of important appointments to make. The terms of banking commissioner, game and fish warden, and state librariar are for four years, and the terms of all three expire this winter. Aside from these there are the two-year ap-pointments for railroad and insurance mmissioner and various other of

With only about 75 per cent. of the vote cast that was recorded two years ago, Gov. Fred M. Warner, Re-

T. Rich's plurality in 1904, was 106,-392, the only time the state has ever elected a governor by more than 100,-000. Rich's plurality in '92 was but 16,090. But 1892 was a Democratic landslide throughout the country, and 1904 an equally extensive Republican landslide. The nearest to 100,000 pluradity any candidate ever receixed was Hazen S. Pingree, in 1896. His in that year was 83,409. From 1872 ceived as high as 50,000 plurality Pingree's plurality in 1898 fell to 75, 097. Gov. Bliss' dropped from 79,384 in 1900, to 37,184 in 1902. Warner's

plurality in 1904 was 60,228, in a total vote of 504,521, which was but 2,285 more than in 1902, 43,693 less than the total state vote in 1900, and 16,643

less than in 1896. With Gov. Warner, of course, the whole state ticket is elected. In only eight of the 12 congressional districts of the state were there contests, and in every one of these eight the Republican candidates are elected by majorities ranging from 3,000 to 25. 000. Those congressmen who were re elected without opposition are Charles E. Townsend in the Second, William Alden Smith in the Fifth, Joseph W. Fordney in the Eighth and George A Loud in the Tenth.

"A Feather in One's Cap."

Our expression, "A feather in one's ap," originated in Hungary in 1599. At that time it was an ancient custom among the Hungarians that no one was permitted to wear a feather in his hat unless he had killed a Turk. It was a law that for each slain Turk the slayer should be allowed to wear one feather. The Sunday Magazine.
