CHAPTER XIV.—Continued. As soon as Pickering had get me and there, and it was on my tongue to She laughed—a little murmuring well under way in conversation with do so, but I concluded that to wait laugh.

Taylor, he excused himself hurriedly until he had shown his hand fully "I'll never tell if you won't," she put went off, as I assumed, to be sure was the better game.

The ladles entered the car and I "But I don't see he The station agent had received orders for attaching the private car to the shook hands with Taylor, who threat with you?"

Chicago express. Taylor proved to be supercilious person,—I believe they all him Chilly Billy at the Metropolital him Chilly Billy at the Metropoli were pathetically unfruitful. The two us. Poor girl this must be a dreary hadies stood by, making no conceal ment of their impatience. Their eyes who helped him upon the platform of were upon the girls from St. Agatha's the car with what seemed to be unnecessary precipitation.

"And the worst of it is that I haven't a single thing to say for my self. It wasn't the not knowing that is the car with what seemed to be unnecessary precipitation."

"And the worst of it is that I haven't a single thing to say for my self. It wasn't the not knowing that is the car with what seemed to be unnecessary precipitation."

"Certainly not! It was talking that it is that I haven't a single thing to say for my self. It wasn't the not knowing that is the car with what seemed to be unnecessary precipitation." on the other platform, whom they necessary precipitation.

could see beyond me. I had jumped "You little know us." I declared, for ridiculous twaddle. It was trying to aria, which interested me more, when people here are indifferent marksmen garia, which interested me more, when Mrs. Taylor, ignoring me, spoke abruptly to her sister.

"That's she—the one in the gray coat, talking to the clergyman. She came a moment ago in the carriage."

"The one with" the umbrella? I "Yes; it's my humor that keeps me or there'd be murders galore."

"Mr. Glenarm is a good deal of a laughed.

"Mrs. Glenarm is a good deal of a laughed.

"I am 27!"

"And I am just the usual age," she said.

"Ages don't count, but time is im-

thought you said—"
Mrs. Taylor glanced at her sister. warningly, and they both looked at me. Then they detached themselves and moved away. There was some one on the farther platform whom they ished to see, and Taylor, not under standing their maneuver—he was real-ly anxious. I think not to be left alone with me-started down-the platfo after them, I following. Mrs. Taylor and her sister walked to the end of the platform and looked across, a bis cuit toss away, to where Stoddard od talking to the girl I had already beard described as wearing a gray coat and carrying an umbrella. The girl in gray crossed the track quickly and addressed the two women cordially. Taylor's back was to her and he was growing eloquent in a mild ell, bred way over the dullness of our statesmen in not seeing the advantages that would accrue to the United States in fostering our shipping industry. His wife, her sister and the girl in gray were so near that I could hear plainly what they were saying. They rere referring apparently to the girl's and hoped that when you really saw us on the way you would relent," sai "But there are many reasons: and

salvove all Sister Theresa needs me." It was the voice of Olivia, a litte But think of the rose gardens that are waiting for us out there!" said the r lady. They were showing her the deference that elderly women always have for pretty girls. "Alas, and again alas!" exclaimed

She ignored me wholly and after shaking hands with the ladies returned

ISRAEL DEMANDS

A KING

A STORY OF THE PERIOD OF THE JUDGE

"Make us a king to judge us like all the nations."—This de-sire to be like those about us is n proportion as Israel turned eyes from the God whose culiar people they were, just far did they have a hanke to be like the nations about them. It proved a snare to their eet just as the world and thethings of the world entice the children of God to-day. The Christian starts out with the to grow into Christ likeness, b neglect to meditate on God's of gratitude? scures the vision and vitiates

hunger for righteousness, before it is scarcely real world and there springs up a de ple, to have the things they

tate upon the admonition of the world." In desiring a king as they did, Israel was placing that desire first and putting God in second place, a condition of heart which is perillous, and corner to bring its train of troughers. But though it was to their tale and woe.

But though it was to their there desires, for they were too willful to bring its region. But though it was to their tale and the tale and woe.

But though it was to their there desires, for they were too willful to the desires, for they were too willful to the case. The let us go at once, urged his brother.

In the propose will remonder to the believe evil concerning his sous, and concerning his ana

strate with his children up to the point where he sees that a with him, giving him their version of hav will not listen to his Warning and then will give the soul tion of that desire may be found the elders one to another after they dividends paid to Equitable policy the discipline which is needed had talked with Samuel and found when we choose for ourselves of him unresponsive to their pless. In 1905, and only 14.48% in 1906. The dividends paid to Equitable policy great leader.

Note: The dividends paid to Equitable policy blockers in 1905 amounted to \$7,289,784. When we choose for ourselves of him unresponsive to their plex.

When we are more than apt to make a when Samuel, who is old, is gone? Would that we had a king like the course instead of a bloomer and prove a course instead of a bloomer and a course instead of a bloomer

God desires to give us never car o shall have one to judge us," urged ries with it any element which the one who had first suggested a His blessings never contain a

sting. We should a soon they were again in the presence best gifts." "For if we being a soon they were again in the presence of the aged judge.

In the councils of state, is of comparation to evil; deliverance of God's people twelf minor importance in his own Progress of Events—Israel's escape bousehold. Indeed, it has been un from Egypt.

What 'a king?" exclaimed Samuel, in distress and sadness. "Why, God give the Holy Spirit (the afling is your king. Would you desert him?"

Clusive gift) to them that ask in indist to rule ever us like the nations about, for thou art old, and when thou thing in their restablishment.

According to the intimation of the sound Samuel, who is the Scripture it was the corruption of the sound Samuel, who is the disappointment which he had been appointed judges over again in the presence that the councils of state, is of comparation to evil; deliverance of Cod's people three thing of evil; deliverance of Cod's people three thing of the councils of state, is of comparation in the presence three in his own progress of Events—Israel's escape household. Indeed, it has been under that his wife is "the whote thing in their establishment.

they not entitled to their living; and had they done more than receive remuneration for their services? Did not both parties to a controversy have to bring their offerings before the case would be considered, and why should not the one in whose favor the judgment was given make special offering of gratitude?

Through the influence of Gov. Hughes, the New York Legislature decided to make no radical changes in the new insurance law. It was pointed and then abruptly dismiss them.

"Why," exclaimed Joel, after they had gone, "one would think that the elders of Israel and not our father were the head over Israel."

"Yes," replied Abiah, "it is well to have it understood who are in authority. Our father is growing old and it will not be long before the sole responsibility of judging Israel will rest upon our shoulders. It therefore behooves us to look well to our-place of the sole responsibility of judging Israel will rest upon our shoulders. It therefore behooves us to look well to our-place of the sole responsibility of judging Israel will rest upon our shoulders. It therefore behooves us to look well to our-place of the sole responsibility of judging Israel will rest upon our shoulders. It therefore behooves us to look well to our-place of the sole responsibility of judging Israel will rest upon our shoulders. It therefore behooves us to look well to our-place of the sole responsibility of judging Israel will rest upon our shoulders. The place of Exercise Appears of Events—Joseph preserves will amount to many times more and tuture policyholders and future policyholders. The speed to be called to make no radical changes in the new insurance law. It was pointed out by Gov. Hughes that the New York Legislature decided to make no radical changes in Through the influence of Gov.

The will ah, Reuben, etc.

The next day Samuel was visited by the elders of Israel, but not until after his two sons had seen and talked with him, giving him their version of the affair, and preparing him for the coming of the elders.

The next day Samuel was visited by saving of over \$2,000,000 in expenses.

The elders of Israel, but not until after his two sons had seen and talked with him, giving him their version of the affair, and preparing him for the coming of the elders.

The elders of Israel, but not until after he saving of over \$2,000,000 in expenses.

The results Israelites increase to avoid to expenses to the place of the

boomerang upon us and prove a "Would that we had a king like the showing than any other big company, nations about us," exclaimed one of showing than any other big company, The call of duty. Progress of events curse instead of a blessing. The nations about us," exclaimed one of all reported radical economies and unclaimed the nations about us," exclaimed one of all reported radical economies and unclaimed the nations which is more than likely to be the analysis of the nations about us," exclaimed one of all reported radical economies and unclaimed the nations which is one of the nations about us," exclaimed one of all reported radical economies and unclaimed the nations about us," exclaimed one of all reported radical economies and unclaimed the nations about us," exclaimed one of all reported radical economies and unclaimed the nations about us," exclaimed one of all reported radical economies and unclaimed the nations about us," exclaimed one of all reported radical economies and unclaimed the nations about us," exclaimed one of all reported radical economies and unclaimed the nations are not used to the nations about us," exclaimed the nations are not used to the nations others with one voice. "This is our stantially as it stands. sonly one safe ground on which hope."

Time Nine or ten months. Teachers stand, and that is where God here is placed first and permitted to mand that Samuel give us a king in choose for us. The thing which his stead, so that when he is gone we Congressman Evidently Was No Hero Israel obtains release from bondage. There is a certain congressman Goshen, Etham, Red sea. Time-

and the disappointment which he had televant was made against his sons gave place to a deep er sadness as he realized that the na-

eat was asleep.

Pickham rammed his hands into his ockets and glared down at the cat. Regarded simply as a cat, the animal was not objectionable. Its fur was smooth and silky; it had a plump, its present position Pickham calculated that it was over a yard long. He would rather have taken up a baby would rather have taken up a baby than the cat—and he was not partial to bables. He turned the chair-cushion over, o avoid possible hairs, and sat down.

The cat was doing no harm, at least; and the simplest solution of the problem seemed to be to wait for the cat wake up, when it might be lured into the corridor. Pickham gazed down at the cat—it was a magnificent

necimen—and something seemed to mnanionship Pickham was in his thirties, and "Thank You!" Said Pickham, Heart had spent the last 15 years in building up a profitable business; it had been an absorbing occupation, and been an absorbing occupation, and neither cats nor women had taken his attention from it. Now, as he looked at the contented cat, stretched out upon the rug, he suddenly began to feel domestic.
