QUARTERLY REVIEW Sunday School Lesson for June 21, 1908 Specially Prepared for This Paper

Gray-Haired Man Remembers a Boy

Who Tried It Forty Years Ago.

"Whenever I read in the newspaper

that a boy has run away from home to

fight Indians or seek some other sort

of adventure, it takes me back 40

years," said the gray-haired man in

Here was a point which troubled the

lad, and the mother patiently tried to show him how God had revealed to

the prophet the victory he was going to give the army of Israel, but that

is father had spoken of his return

not from the certainty of revelation

from God, but rather as the wish of

her and his boy again.

During the anxious weeks that followed Jonah's active brain was busy studying over this problem of the disast daying over t During the anxious weeks that fol READ. 1 Cor. 15:1-20. the club smoking room. For I ran away from home once, just as T sup-

nation, when he did not to the indication, with a constant of the indication, with a constant indication, when he did not to the indication, with a constant indication in the constant indication in the constant indication.

. \$212,493,084.88 The legal reserve of Michigan state banks as shown by the abstract nounts to \$44,178,146.57, equaling eserve of 211/2 per cent. of the total 155.40 over the report of February 14 1908. The cash reserve maintained Michigan state hanks amounts to \$14. of 7 1-20 per cent. Trespect is \$368,134.26. The gain in this

Corporation Law Changed

The amendment to the corporation act which caused the failure of the suits commenced by Attorney General Crucible Steel company and the Quaker Oats company, had its origin in the secretary of state's office. It was the Good Grain Crop Promised. the corporation department. first section into several sections. islature passed the bill in the form in which it was drawn and the governor signed it. Attorney General suits against the Crucible Steel con pany for \$64,000 in penalties for fail. per cent of an average crop, are to file its articles of incorpora potato acreage is 89 per cent tion in this state and pay the franchise dee required, was astonished when he was contributed with the amended prospects are as follows: Apples, 73:
statute, as under the law as amended pears, 77: peaches, 72: phints, 74;
ed it was found the portion of the act not apply to that portion of the act requiring foreign corporations to file articles of incorporation in Michigan.

Drys" to Fight in 26 Counties.

question submitted to the voters within two and three years, but in the Kent, an "education program" of at least five years' duration is considered necessary before an election could be risked. The counties selected for work are Wayne, Kent, Washtenaw. Berrien, Branch, Calhoun, Allegan, Eaton, Ingham, Livingstone, Ionia, Ot tawa, Montcalm, Isabella, Sanilac, Lapeer, Saginaw, Tuscola, Shiawassee, Huron, Alcona, Kalkaska, Leelanar Benzie, Clare and Newaygo.

Write Fewer Policies.

There has been a steady decrease in the amount of life insurance writen in Michigan since 1904, according to a statement given out by Insurance Commissioner Barry. Last year's business in the state was \$43,389,000 while in 1906 it was \$44,759,000 and in 1905 \$56.278.000. The high mark was \$59, 393,600 in 1904. The premiums received by old-line insurance companies doing business in the state last year ras \$10.443.195 and the amount paid out in losses, \$3,780,000. There is now over \$285,000,000 of old-line insurance

Vitale Case Submitted.

The habeas corpus case of Andrew Vitale was submitted to the supreme court. Vitale was convicted in De troit last July of murder in the second degree, and sentenced by the record court to imprisonment for life. It is contended on his behalf that the which Vitale was sentenced, and On this point Vitale is to make his fight for freedom. Whether life sentences are affected was a question.

Deputy Attorney General Chase returned from Chattanooga, Tenn., hav-

Justice William L. Carpenter ter

dered his resignation as associate judge of the supreme court to Gov. Warner and he will return to his former home in Detroit and re-engage in the practice of law. Friends of Judge Carpenter have endeavored to dis suade him from leaving the bench, but he is fully satisfied that his present action is in the line of his duty. He has so timed his resignation that it will interfere but little with the work of the court, and it will take, effect also when it will be most convenient for the 'political parties to nominate candidates to fill the vacancy. It is not likely that Gov. Warner will appoint a successor to Justice Carpenter atthough he may name the choice of the Republican state convention when require me to retire from the bench and resume the practice of law. 1 therefore tender my resignation as as sociate justice of the supreme court of Michigan, to take effect at the close of the 15th day of September, 1908. 4 the business of the court. 1 embrace this opportunity to convey to the people of the state of Michigan, through you as their official representative, my two years.

Children's Day at State Fair.

have conferred upon me in electing ne to the office which I now resign.

Thousands of children will be the mests of the state fair management this year, and will be allowed to see the big state show free of charge. James Slocum, business manager of the fair, has requested Superintendent Martindale to announce that all ehildeposits and is an increase of \$3,289. dren of the public schools under 12 years of age are eligible as suests on Friday, September 4. On the day that the youngsters own the grounds many *854,130.23, constituting a cash reserve special features will be originated for the entertainment of the little folks. particularly: Manager Slocum is also. lishing a "lost children's department" on that day. Superintendent Martindale estimates that at least 25,000. of all trusts whether as Executor. Administrator, Guardian, Trustee, or

Receiver, the Union Trust Company of Detroit gives that prompt and efficient attention which produces the best and most satisfactory results, at a minimum of cost.

idea of Thrifty Queen.

The literature of the kitchen sometimes sheds a light on the traits of historical personages. For example, it is not interesting to read in w book of recollections of the origin of that rather agreeable dish of breadcrumbs, fruit and spices known as apple charlotte." It appears that the thrifty wife of George III. invented the pudding in order to use up the weekly alace crusts.

Truth and Honesty. Truth and honesty are powerful al-ies in helping a man to wage the conflict successfully. Truthfulness has ver to hang his head in whether defending the right or mak ing apology for the fault it acknowl-As for honor as long as it remains manhood always keeps it company: where the one is there will the

Have Little Chance. In the long run idols have no chance in this country, whether they be neathen or popular.—N. Y. Mail.
