

COOKING EXHIBITION

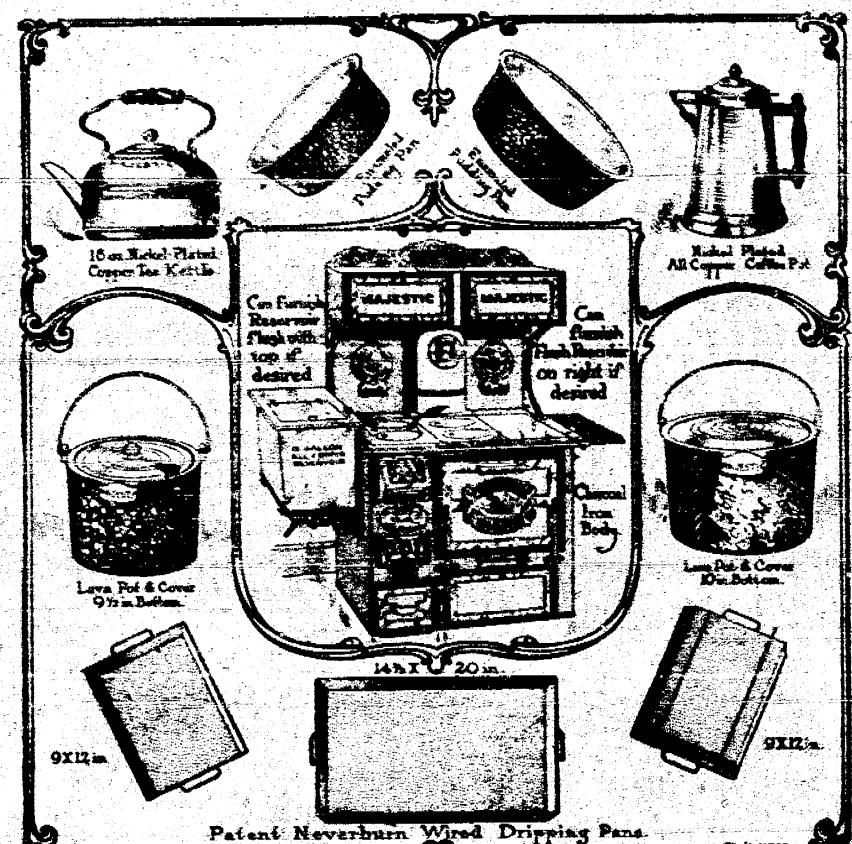

OF THE
GREAT MAJESTIC MALLEABLE AND CHARCOAL IRON RANGE
Monday, March 8th to Saturday, March 13th

FREE!
\$7.50
Set of Ware

With every Majestic Range sold during this Cooking Exhibition we will give absolutely FREE, one handsome set of ware as shown. This is worth \$7.50 if it is worth a cent. It is the best that can be bought. We don't add \$7.50 to the price of the range and tell you are getting the ware free, but sell all Majestic Ranges at the regular price. You get the ware free. Remember, this is for exhibition week only. Ware will not be given after this week. This ware is on exhibition at our store, and must be seen to be appreciated.

Come in any day during the week. Make our store your headquarters. Have coffee and biscuits with us.

Come, if you intend to buy or not; the information gained will serve you in the future.

Facts About the Great Majestic Range

It is the only range in the world made of Malleable and Charcoal Iron.

It has, beyond any question of a doubt, the largest and best reservoir.

It uses about half the fuel used on other ranges, and does better work by far.

The Majestic All-Copper-Nickel-Reservoir heats the water quicker and hotter than any other. It is the only reservoir with a removable frame.

The Charcoal Iron Body of the Great Majestic Range lasts three times as long as a steel body.

Being made of non-breakable material, there is practically no expense for repairing the Majestic.

As for baking, it is perfect; not only for a few months, but for all time to come.

A Great Majestic Range lasts three times as long as a cheap range, but don't cost three times as much.

PROOF—We don't ask you to take our word for any of the above statements, but if you will call at our store, a man from the factory, where Majestic Ranges are made, will prove to your satisfaction that these are absolute facts, and will show many reasons why the Great Majestic Range is absolutely the best that money can buy.

THE ART OF COOKING

Free Lecture and Practical Demonstration March 8th to 13th from 2 to 5 o'clock Each Day by Pro. Webb, one of the World's Greatest Chefs.

The Majestic Walking Cake.

Tuesday afternoon between 2 o'clock and 4 o'clock, Prof. Webb will make a large cake, 20 inches square and 6 inches high. The cake will be placed beneath a board upon which 20 ladies are invited to stand. Like "Truth," crushed to the earth it will rise again, and will then be served to the ladies present.

Majestic Drip Coffee
and all kinds of delicious cakes and hot biscuits will be served FREE TO ALL. Everybody invited. Everybody welcome.

The Ladies' Opportunity to Learn Valuable Knowledge.

Nothing like this exhibit has ever been attempted before in Ironwood. Not only does the professor make dainty pastries right before your eyes—he explains each and every one as it is made—the time being limited for each of the 20 different kinds of pastries. The virtues of the great MAJESTIC FAMILY RANGE are shown by the great Majestic Chef at our store, and each day he gives Free Cooking Lessons and demonstrations for the benefit of the ladies of Ironwood and vicinity. Receipts given for the asking.

You can't get enough of "Sealships". More than a surprise—a revelation.

Every housewife will want a copy of "Sealship Sense" with the dainty new oyster recipe—The following "Sealships" dealers will give you a copy:

EUGENE KIRCHGESSNER
The famous "Sealship" Oysters are always sold from a White Portland Cement Case bearing the "Sealship" trade mark in blue ink. This is for your protection—look for it. The "Sealship" Carrier System is patented. Infringement will be prosecuted to the limit of the law.

It is the best that can be bought. We don't add \$7.50 to the price of the range and tell you you are getting the ware free, but sell all Majestic Ranges at the regular price. You get the ware free. Remember this for exhibition week only. Ware will not be given after this week. This ware is on exhibition at our store and must be seen to be appreciated.

Come in any day during the week. Make our store your headquarters. Have coffee and biscuits with us.

Come, if you intend to buy or not; the information gained will serve you in the future.

Facts About the Great Majestic Range

It is the only range in the world made of Malleable and Charcoal Iron.
It has beyond any question a doubt, the largest and best reservoir.
It uses about half the fuel used on other ranges, and does better work by far.
The Majestic All Copper Nickel Reservoir heats the water quicker and hotter than any other. It is the only reservoir with a removable frame.
The Charcoal Iron Body of the Great Majestic Range lasts three times as long as a steel body.
Being made of non-breakable material, there is practically no expense for repairing the Majestic.
As for baking, it is perfect: not only for a few months, but for all time to come.
A Great Majestic Range lasts three times as long as a cheap range, but cost three times as much.

PROOF: We don't ask you to take our word for any of the above statements, but if you will call at our store, a man from our factory, where Majestic Ranges are made, will prove to you, in plain English, that they are absolutely true, and will show many more reasons why the Great Majestic Range is absolutely the best that money can buy.

MANCHESTER ENTERPRISE

VOL. 42-NO. 30.

(Published by the Enterprise)

MANCHESTER, MICHIGAN, THURSDAY, MARCH 18, 1909.

WHOLE NUMBER 2144

PROBE THE PAROLE SYSTEM SOME

THE GRAND JURY IN JACKSON SEEMS TO LOOK UP THINGS.

PAROLES OF PRISONERS.

Documents from the Prison Board Are Ready to Hand Showing That the Parole is to be Worked.

GOV. FRED M. WARREN ON TUESDAY was before the grand jury investigating the allegations of grafting at the prison by former Warden A. N. Armstrong. The executive was in the jury room for some time, but as all parties are loath to testify, no case can be learned of the evidence he gave.

It is believed that the governor was quizzed concerning any knowledge he might have of the alleged grafting.

There are also reports before the grand jury that Armstrong, before the grand jury, was asked to produce the names of the members of the board of prison control, and T. C. Quinn, of Caro, a former member of the board, was asked to produce the names of the members of the board.

The parole system probably will be discussed by the grand jury.

Charles A. Elliott, the man who had the well-known contract at the prison, is said to have been present before the grand jury, and is also ready to testify before the grand jury.

It is also reported that the grand jury will have a hearing on the case of the man who was shot at the prison, and who was killed by a guard.

A special detective will be hired by the grand jury to investigate the case of the man who was shot at the prison, and who was killed by a guard.

The grand jury will also have a hearing on the case of the man who was shot at the prison, and who was killed by a guard.
