The desire to improve the breed of horses raised in Washings passety, we wish to call attestion to the are fine fitallions which we have produced from J. Cronch & Sep of Lafayete, Ind., and which we will used for service at Chelies and ricipity this sensor.

We have secured these two Stallions for two reasons: First, at some a fair rate of interest on the money invested, and second, to enable farmers and borsemen to Breed and Raise Better Draft Horses

That will Attract City Buyers and Shippers. and Bring the Highest Price. Every farmer and stock breeder knows and recognizes the fact that the only way to improve the grade and quality of any kind of live stock is to use a pure bred sire of the fuest quality obtainable; this we believe we have done in securing those grand Stallions.

The larger of the two, "HERCULE DE LEFFENGHE," is A Pure Bred Belgian

of splendid proportions, excellent bone, strong muscles and graceful carriage; color, dark dapple bay; weight, 2,200 pounds. He is recorded in Vol. 2 of the register of the American Association of Importers and Breeders of Belgian Draft Horses as No. 2786; his Belgian Stad Book No. 4848; as shown by the proofs on file, and was fooled April 18, 1905.
