old colored differen. In attempting to reces the hely City Harshall Heavy years ago was never found. This was a thrilling experience for Heary, and his

many friends here will be glad to know In another column will be found the law which requires that all weeds must be kept cut from the highway and there is a fine of \$10 for anyone who fails to comply with the law. It is true that these weeds are at their height and the seeds musture at the time of year when the farmer is businest and especially this year when everything about the farm has had a late start, but these needs are sure to be sown a among the crope and are a detriment so that in cutting the weeds the farmer is the one most benefited.

Then ton many of the weeds are the law like sikewith a farmer a falle Schail weeds.

called upon us this morning and showed price usually asked of dealers. If enough orders are taken the plant will be run one half day or longer, in each week to allow the indies to get the ironing done, such day to be determined by the majority. We are certain that our citizans will be pleased with this arrangement, for the irone can be need very sconomically and especially in ammer, when it is so hod, it does away with the fire in the kitchen and makes ironing day move of a pleasers than a hardship. Mr.

Hatch is working for the interest of the people, and wishes to make the plant pay out, while running it as economically as possible.

HYDUAL CRAWLING AROUND ON HANDS AND PEST. New York.—On his hands and knows New York.—On his hance and masses and occasionally growting as it trying to imigate a dog, a man was found in Central park by Policenan Arthiff Hunt, eating grass. The grass eater is now in Bedievue hospital with the doctors in attendance mystifed. They are unable to disagnose his case at

hydrophobia, or delirium and tem-porary loss of mind.

Policeman Hunt had his attention attracted to the man by a gathering just outside of the park wall. It was evident to the noliceman that the

ion from one bunch of clover grain to mother, chew a cud and swallow it. He tackled a couple of shrubs rather
