Borne Provisions of Measure Said to Be Invalid—Supreme Court May Be Invoked.

Lansing—September 1 the new Hquor law passed by the legislature will go into effect, and it has already been attacked numerous times as being vitally faulty and unconstitutional. Opinions vary as to the validity of various provisions. Some of the controversed points will only be settled by a decision of the supreme court.

However, it was rumored that at least two provisions may not hold michigan Patents Are Granted.

The other provides for the summary arrest of any person violating the provisions of the law, and for the summary closing of all places found open in violation of section passed upon by the supreme court, which laid down the principle that atmomary arrest without process is successfutitional in such cases. To close a man's place of business without due process of law would give police officers not only unusual power, but would place them in position to went their personal spite.
