Good defense, strong offense leading Lakers

By TIM BLAKENEY

MARLETTE MASSACRE: Last Tuesday night they beat up on Marlette, winning 71-45...

NEAT WIN OVER NB: On Friday night against North Branch, the contest was over by the second period...

managed to cut the lead to seven. Lakers came out hot after the half-time break...

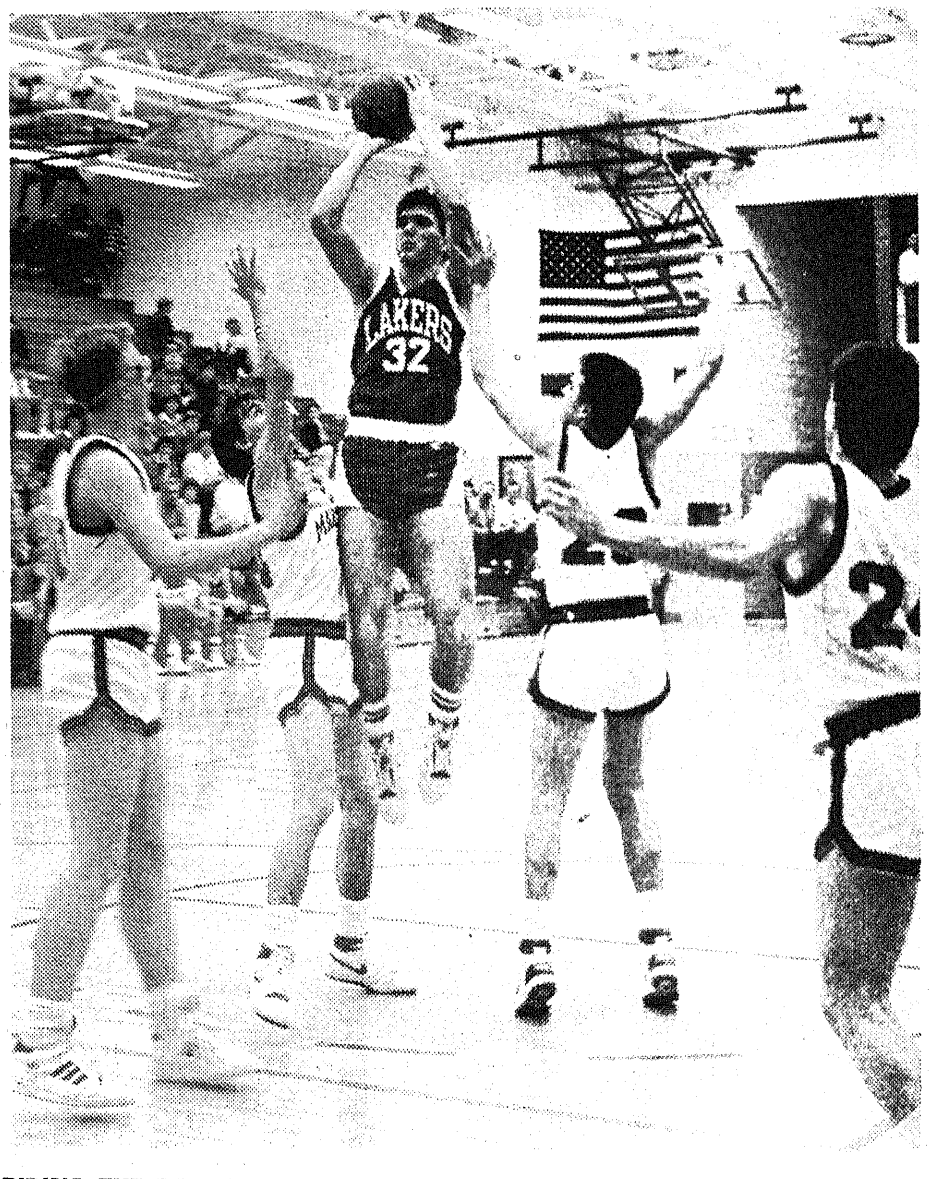

STATS: Wertz had 23 points and was perfect on the free throw stripe...

NEXT: With just three games left, Coach McLellan is pleased with the way his

squad is playing, saying "They are playing pretty well now."

JAYVEES: The Junior Varsity defeated Marlette 56-46 and lost to North Branch 24-64...

FRESHMEN: The freshmen won both of their games last week, edging past Marlette 53-51 and on top of North Branch 54-45...

RIDING THE RAIDERS: Laker forward Paul Elenbaum gets off a short jumper in defeating Marlette last Tuesday. He led Laker scorers with 18 points.

In Friday's 72-58 win over North Branch's Broncos, the Lakers led from the opening basket and never looked back. Steady shooting and a firm, well-managed defense was just what was in order - and accomplished.

# Cub Scout news update

Pigeon Cub Scout Pack 3586 held its monthly pack meeting Feb. 16 at the Pigeon VFW Hall.

Cub Scouts receiving awards included: Danny Hill, Wolf Patch, Gold Arrow and one Silver Arrow; Chris Kleinfield, Bear Patch, Gold Arrow and two Silver Arrows; Adam Schweitzer, Bear Patch, Gold Arrow and one Silver Arrow; Anthony Rowe, Bear Patch and Gold Arrow; Brian Collison, Bobcat Patch; Bobby Orr, Family Member Pin and both Bryan Kingsbury and Michael Pirret received Recruiter Patches.

Mrs. Deb Estruth, a Scout volunteer from Cass City, presented a slide show covering the many camping opportunities the Boy Scout Council is making available this summer.

She also explained the Sustaining Membership Drive now taking place. Individuals and businesses are asked to donate money to help cover the cost of scouting in the Lake Huron Area Council.

Currently it costs the Boy Scouts of America \$72 to have one boy in scouting for one year. The bulk of this money is spent on insurance, camp sites, since the organization is run mainly by volunteers.

All awards and den activities are paid for by local fund-raisers, organizers say. Anyone wishing to make a contribution may contact Donna Orr at 453-3028.

The meeting concluded with the distribution of Pinewood Derby Kits and with the serving of desserts in celebration of Cub Scouting's 58th birthday.

# Thanks A Million

BY PERCY ROSS

You may write to Percy Ross in care of The Progress-Advance, P.O. Box 35000, Minneapolis, MN 55435. Please include your telephone number with your letter.

DEAR MR. ROSS:

I'm from a small town here in the southeast hollowers of Tennessee. It's real nice here but one thing that makes me mad is there's not enough work. Most every job that I've had was out of town. Even then it costs too much to live away and send money home to my folks.

My Dad has always worked hard for our family of five. He's 58 and a few years ago had a small heart attack that slowed him down a bit.

A few months later one of his tubes busted on him while using the bathroom. A year went by and now he has colon cancer. He has to wear a sack on his side to go to the bathroom in.

He never wanted much and he ain't got nothing now but a lot of bills. Heck, it's a wonder that the bank hasn't come and got everything. I guess things are too rundown here.

My mom, she's a country girl — a great gal and great mom. I'm just asking you to do a little bit for my elders — my kin folk. As for me, I'm 25 and I'll just keep praying for a 40-hour work week.

If you could help them in any possible way, I know the good Lord would walk beside you. — Mr. M.W., Chattanooga, Tenn.

DEAR MR. W.:

Your request is vague but you do have a likeable manner. I can't turn you away. Please tell your folks to use the check I'm sending on whatever they see fit.

It's not going to turn their lives around, but by God... they'll know ol' Percy is out there pulling for 'em!

— \$\$\$\$\$\$\$\$\$\$ —

DEAR MR. ROSS:

My mother, 93, lives with my brother's family in Easton, Pa. I haven't seen her in almost 30 years, but we do write and sometimes talk by phone. I'm on a fixed income, less than \$500 a month, and phone calls are for the most part too expensive.

Whenever I do call her, the dear woman can't hang up! The

last time I called, she complained that it's hard for her to read my writing. She only has sight in one eye, and that eye is getting bad, too. At 72, I must admit my writing could be better.

My solution is a typewriter. I'm a good typist and have called several places to learn I can get a good used one for about \$100.

If you could do me this favor, I would volunteer my services to other seniors who have trouble writing. Anyway, that's my problem and my request. — Mr. F.S., Jacksonville, Fla.

DEAR MR. S.:

I'm sending you a check for a typewriter, but I'm also

sending an AT&T telephone gift certificate. So pick up the phone and give ol' ma a call and tell her the good news!

— \$\$\$\$\$\$\$\$\$\$ —

DEAR MR. ROSS:

I'm a little worried about your cash flow after "Black Monday." Were you affected by this last October stock market crash? — Ms. F.L., Tacoma, Wash.

DEAR MS. L.:

The stock market was never that good to me — I got out long ago. But after this last blow, let's just say I have a few friends who have posted an accounting of their "assets" on milk cartons.

### Owendale's 53rd year of 'silent sisters'!

The 53rd annual Silent Sister party was held Wednesday, Feb. 17 with a potluck supper at the home of Jeannette McDonald, who provided the turkey, beverage and snacks.

After the meal, a short business meeting was held. Discussion centered on keeping the club active, in spite of a small membership. With a 53 year history, members felt that it was worthwhile to continue. Bills were paid after dues were collected. It was noted that Jane Faust will host the '89 party on the date nearest Feb. 14. Carol Stein and Jeannette McDonald will serve on the entertainment committee.

Silent Sister names were drawn for 1988-89 and recorded by the Silent Secretary. Gifts were exchanged among those present. The group presented Jeannette McDonald with a token gift for being Silent Secretary and in charge of all club notes. She also won

the door prize. The Brown Bag Auction followed the meeting, which was then adjourned.

## WINTER BLUES? We Can Help

One of the most important functions of chiropractic is to allow normal transmission to nerve impulses from the brain through the spine to every part of the body...

However, a slip or fall on an icy sidewalk may cause one or more of the spinal bones to become slightly twisted out of their normal alignment and create pressure on delicate nerves, thereby resulting in painful conditions of the back, neck and spine. If you suffer periodically from nagging aches and pains, a chiropractic adjustment may be all it takes to make you feel good again.
