TT is a fact that can be substantiated by the most respectable testimonials ever offered in favor of any proprietary medicine, that the RADEGAL CURR FOR CATARRH does in every case afford instant and permanent relief. No matter of how long standing, or how severe the disease, the first does gives such evidence of its value in the treatment of Catarraal affectious that confidence is at once felt in its ability to do all that is claimed for it. The testimony of physicians, draggists, and patients is manimeus on this point, and the accumulating evidence is in point of respectability superior to any ever before obtained in favor of a popular remedy. The proprietors, therefore, may justly round piece of coarse sponge in warm was death. The contradictions of climate do ter until it is the roughly expanded. the report that Gen. Grant had authorized his friends to withdraw his name from the he undertook. Mr. Cameron added his Republican candidacy for the presidential tribute of praise, and Mr. Baldwin closed nomination. The report was started by a Herald Washington correspondent who obtained his information from Murat Halstead, editor and proprietor of the Cincin- late Senator from Messrs Newberry, Wilnati Commercial, a paper bitterly opposed to Grant. As Gen. Grant was never known to refuse anything, the report was not given much credence anywhere, but was sup- | gies : posed to have been started for effect, in the interest of other candidates, especially n the Pennsylvania State Convention.

Rules to Govern Pensions. The House Committee on Invalid Pensions have agreed to the following resolution to govern the consideration by the ber.

from discharge, where the disability was disability; and all gratuitous pensions shall date from the passage of the act. All widows' pensions where the husband had been a pensioner, shall date from the death of disabilities.

Indian Ring Crookedness---Commissloner Hayt Removed.

Indian Commissioner Havt was removed from office last Thursday by the Secretary, Carl Schurz, who sent Hayt a letter a hard hitter and an honest hater." informing him that the public interest demanded a change in the Commissionership, and that Hayt's further services in the office were dispensed with. A committee of the Board of Indian Commissioners has been investigating for some time ! charges against Mr. Hayt. Mr. Schurz, in informing correspondents of the fact of Mr. Have's removal, said explicitly that the charges preferred against him of dishonest conduct before the Committee had not been proved, and that he was removed for withholding information from the department. But the case as at present stated, does not warrant the gentle manner in which Mr. Schurz relieves Havt. Dispatches of Friday say: In the beginning of the present month Gen C. B. Fisk, of St. Louis, submitted a series of charges against Commissioner Hayt and Inspector Hammond, ties of the late Senator. He said it was accusing the former of corruptly holding more than probable that had Mr. Chandan interest in an Arizonia silver mine, and ler lived the Michigan delegation to the the latter with making a boundary survey coming Chicago convention would have to suit Havi's plans. There were also other charges. When the Board of Commissioners met three weeks ago Hammond was engaged in investigating charges of fraud

cd upon to appear before the investigating wrong, went like a zig zag stroke of light- removing the political disabilities of Wm. with 35 acres of wheat in the ground. Will sell in Committee. job, and Brady and his army of Ring contractors lobbled it through. They were niccessful, because 45 Democrats voted for and of these 41 were from the Bouth.

WASHINGTON, Jan. 28 .- The Senate passed resolutions this morning expressing sorrow at the death of the late Senator the Legislature adjourned. The sessions Chandler. Mr. Ferry of Michigan spoke of both Houses, Jan. 28, were held in se of the public and private career of his col- cret. Dispatches said: In the Fusion league, who first took a seat in the Senate caucuses this afternoon there were some ability as an orator. Mr. Bayard said that was freely discussed. Several of those who

Mr. Chandler did not overcome whenever his speech making, after which the Senate

The House, on receipt of the Senate's resolutions, listened to speeches upon the liams, Hubbell, Crapo, Brewer, Robeson, Burrows, Dunnell, Stone, Keifer, Conger, Briggs Barber, Willits, and Garfield. A Free Press special says of the culo-

In the Senate:

The first eulogy delivered was that by Senator Ferry. It was of unusual length, extending over fifty minutes. There were some Republican Senators who felt heartily disappointed, and there were some Democratic Senators, thinking the occasion was being purposely turned to partisan purposes, retired from the cham

the manly remarks of Mr. Bayard, who, week. though differing so widely from Mr. despised cowardice and loathed hypocrisy. Mr. Blaine read a carefully prepared oration, which was listened to with marked attention. It was the finest enlogy of of the day in either House. In marked had not been a pensioner, from the date contrast with Mr. Ferry, Mr. Blaine said versies occurring during the years after the war, as such references were not fitting on the first page of this paper, are the folto the occasion. He paid a fine compli- lowing: ment to G n. Cass, pussing him and Chand-ler side by side as great and useful leaders and benefactors of their adopted State. Of Chandler he said: "He was a true friend

> Mr. Logan referred at some length to the circumstances of Chandler's death in Chicago. It is a noteworthy fact that Don Cameron addressed the Senate for the first and only time since he has been a member of that body. When he arose he pulled an official envelope from his pocket, nervouspaper, and read what he had to say in a very low tone. He was on his feet about one minute. In concluding he said: "I were during the reunion of soldiers at Milly extracted therefrom two sheets of letter ter. In the Cabinet and Senate, in public and private life, he was my friend. Mr. Baldwin made quite a detailed reference to Mr. Chandler's early life. He spoke of his untiring devotion to the interests of Michigan, and pronounced a feeling forcible eulogy upon the sterling quali-

All Quiet in Maine-The Fusion Legiisture Adjourns "Until the First Wadneslay in August."

The decision of the Supreme Court ing adverse to the Fusion cause, the Fu sion Governor Smith accepted the decision of the Court as final "for the present," and

and appeals to the people.

Thursday, seven Fusion Senators appeared in the Republican Senate, were cor-

dially received and took their seats. Atwell and Potter of Penobscot said that the interests of their constituency required their presence at the Board, and however were destroyed by fire Sunday morning; much might be said in regard to the position of affairs, their duty was plain. In the house 22 fusionists took their seats. AUGUSTA, Jan. 30 .- Several more Fu- her clothes taking fire, last week. sionists took their seats in the House today, and there are only four empty chairs in the Senate. The Auburn Light Infan try left here this morning. There is no

OUR MADONNA. [Louisa M. Alcott's tribute to the mem ker, who went to Rome to sludy art, runr risd, and recently died after giving birth to a child. This was the arrist sister who

Mi-s Alcott's books.] A child, her wayward pencil drew On marking of her book Gariands of flowers, dancing elves, Bird, butterffy and brook Les-on- undone, and play forgot, Seeking with hand and heart The teacher whom she learned to lov

Before she knew 'twas art. A marden, full of lofty dreams, Siender and fair and tall A- were the goddenes she traced Upon her chamber wail. St matering with brush and tool, Still seeking everywhere

Id of beauty, grace and strength In the "divine despair:" A woman, sailing forth alone, Ambitions, brave, elate. To mod her life with dauntless will, To seek and conquer late. Rich colors on her palette glowed,

l'a ience bloomed into power; Ende avor earned it just reward, Art had its happy hour. A wife, low sitting at his feet To paint with tonder skill

The hero of her early dreams, Artist, but woman will. Glid now to shut the world away, Forgetting even Rome; Content to be the household saint

Shrined in a peaceful home. A mother, folding in her arms The aweet, supreme su cess; Giving a life to win a life, Dving that she might bless. Grateful for joy nospeakable, In the brief, blesful past;

The presure of a baliv's face Her lovelie-t and last. Death, the stern sculptor, with a touch No earthly power can stay, Changes to marble in an hour

The beautiful, pale clay. But Love the mighty master, comes, Mixing his tints with tears, Paints an immortal form to shine Undimmed by coming years.

A fair Madenna, golden-haired, Whose soit evia seem to broad Upon the child whose little hand Crowns her with motherhood. Sainted by death yet bound to earth By its most finder ties, For life has yielded up to her

Its sacred mysteries. So live, dear soul! serene and safe, Throned as in Raphy-l's skies, Type of the love, the faith, the grief Whose pathos never dies Divine or human, still the same To touch and lift the heart;

Ear h's su rifice is heaven's lame,

And nature truest art. Broken-Hearted Horses.

Noticing an old-time Jehu criticalin the Pioche stage, the reporter slided up alongside in time to hear him remark: "There's Dick going to the double interest of the stage of the sta that bay leader," said he; "that animal was put on the route six months ago, and he was a good one, full of life and ambition, and when he first pointed to make the necessary arlife and ambition, and when he first pointed to make the necessary arwent into harness it took two good rangements. men to hold him down before the start and a smart driver to hold him afterward. Now he's as boggy as a dray try practitioner (surprised at the visit horse, and hasn't got spirit enough to of a notorious quack and pill-vender) hold his head up. They most all go | -"Well, what brings you here?" that way. Horses are curious beasts. Quack (evidently suffering from dis-You can drive 'em 20 miles a day on turbed pesistalic action)-."Well, sir, all sorts of roads, and they will keep the fact is, I feel rather queer; andfat and die of old age; but put 'em on Country practitioner-"Then why a 15 mile run, where they've got to don't you take one of your 'pearls of travel the same route every day, and health?" Quack-"That's just it, they will break their hearts and die in sir! I think I've swallowed one-by less than two years. It works like a mistake!"--- [Punch. tread mill on a man. They can't stand the monotony. - | Eureka, Nev., Leader.

Hor BEDS.—The American Agri- Local and Otherwise. culturist in "Hints for February Work," gives the following directions

for making a hot-bed: There is no mystery about a hotbed, yet farmers, and many others, do without this convenience, from some ory of her sister, Mrs. May Algor Nerie- supposed difficulty in making and caring for it. Sashes, a few boards, and some horse manure, are the maformished the pictorial illustrations for terials required. Regular sot-bed sashes are 3 by 6 feet, and may be bought ready glazed at the sash and blind factories, old window sashes will answer as a make shift, but are far less convenient. Select a place his superior strength during a recent visit

cold winds: dig a pit 21/2 feet deep, as wide as the sashes are long, and as long as the number of sashes to be boards nailed to posts driven down at the corners. The rear board should extend a foot above the surface, and the front one 4 inches above. The c mpany. front or lower side should face the south ' Nail strips from front to rear, for the sashes to slide upon.

VARIETY OF FOOD.—It is a well established fact, that a single kind of food is not enough for the best growth, health, and comfort of animals. Like ourselves, the stock which we keep does relish a change of diet-thrives better with a change of pasture so to speak -and gives fuller returns for the trouble of providing the variety of Coarse fodder should be mixed with that which is of a finer nature and the highly nitrogenous, fed with substances weak in nitrogen. Some and thus keep up a continual surprise, mended for Rheumatism and painful comhightened by a lick of salt now and m rit and will relieve certain ypes of the

petroleum and spirit lamps. With an equal amount of wick turned up it gives a much brighter light than the solution wick the heat of the flame is cotton wick; the heat of the flame is, case of Mr. A. Heilman, Editor of the Pittstoo, materially decreased. No sparks burg Republican, who suffered with Rh uare given off by the incombustible matism for two years. After vainly using wick, nor does the light flare in all the bear recommended a medies and exwick, nor does the light stare in hausting the skill of the most experienced draughts to the extent which it does physicians without even temporary relief, with a burning wick; hence it makes it required only two bottles of ST JACOBS the lamps safer. The smoking is also OIL to effect a perminent cure. Mr. C. reduced, and it is stated that to per Hanni, a well-known citizen of Youngs cent. of oil is saved by its use.
