Wednesday, July 14, 1880. DEMOCRATIC NOMINATIONS.

FOR PRESIDENT, GEN. WINFIELD S. HANCOCK. Of Pennsylvania. FOR VICE-PRESIDENT. WILLIAM H. ENGLISH.

DEMOCRATIC STATE CONVEN-The Democratic State Convention to nominat candidates for State officers, and for Electors of President and Vice-President of the United States, and for the transaction of other business will be hald in the Detroit Opera House, at Detroit, on TUESDAY, the 17th day of AUGUST next, commencing at 12 o'clock noon.

Each County will be entitled to six delegates for each representative to which it is entitled under the last apportionment in the lower branch of the State Legislature; but each organized County will be entitled to at least two delegates. In accordance with a resolution passed by the sait State Convention no County can be repre sented by persons not residents of such county. who can unite with us in an effort for pure, econ-mical constitutional government, and adminis-trative reform, or who favor the election of General Hancock to the office of President of the United States, are cordially invited to join in July 3, 1880. O. M. BARNES, Chairman.

H. D. Pron, Secretary. First District-John Miner, Jared A. Sexton. econd District-C. R. Whitman, S. C. Stacy. Third District—E. B. Dodge, John W. Fletcher. Fourth District—Geo. H. Murdoch, E. A. Black-Fifth District—G. Chase Godwin, I. M. Weston Sixth District—Jerome Eddy, Geo. P. Sanford. Seventh District—G. S. Engle, Abram Smith. Eighth District—Dr. Stiles Kennedy, C. H. Camp Nighth District—Wm. P. Preston.

over the country by saying it was the same to meet a divided democracy, while now we have a united democracy. And therein lies the difference.

The Shiawassee Atlas asserts that every Democratic vote in Michigan is equivalent to a vote for Garfield. We refer the Atlas Republican politician of New York, for-John Van Strein, who has hauled down liberal, zeafous Republican hitherto, has the names of the Greenback candidates written Gen. Hancock a letter pledging his ticle elsewhere in this paper) and has substituted those of Hancock and English, on "Major General Hancock: the principle that the Greenback party is "My DEAR GENERAL: I take the earliand each vote est opportunity to congratulate you upon for that party is a vote for the Republican your nomination and to assure you, lifefor that party is a vote for the Republican long Whig and Republican that I am, of my most hearty support. Evidences constantly accumulate, that General Hancock will carry the historic country of William Penn. Philadelphia, From the Saginaw Courier, Ind. the city of the Continental Congress—the ture by the rebel army.

The Detroit Post's Proposed Elector-

The proposition made in the Detroit the spirit which it shows to exist not merely in the conduct of that paper, but in portions of the republican party. It is the old disregard of the people. It was to be expected. The party that would allow While Gen. Hancock was staying the Control of the party that would allow the conduct of the people. It was to be expected. The party that would allow the conduct of the people. It was to be expected. The party that would allow the conduct of the people. It was to be expected. The party that would allow the conduct of the people. It was to be expected. The party that would allow the conduct of the people. It was to be expected. The party that would allow the conduct of that paper, but in portions of the republican or democrat, but would volunteer to kick the sneaking, coward and there is not an honest someon in the land, be he republican or democrat, but would volunteer to kick the sneaking, coward and there is not an honest someon in the land, be he republican or democrat, but would volunteer to kick the sneaking, coward and there is not an honest someon in the land, be he republican or democrat, but would volunteer to kick the sneaking, coward and there is not an honest someon in the land, be he republican or democrat, but would volunteer to kick the sneaking, coward and there is not an honest someon in the land, be he republican or democrat, but would volunteer to kick the sneaking, coward and there is not an honest someon in the land, be he republican or democrat, but would be an in the conduct of the sneaking of the land, be he republican or democrat, but would be an interest or democrat. from ten to twelve thousand voters in Louisianna in 1876, to deposit their ballots in the boxes at the different polling places, and then refuse to count or compute them in the final result, could scarcely be expected to go on to a fair choice of cleaters of the brightest pages of American history posted to go on to a fair choice.

While Gen. Hancock was staying the consect to exist. The editor, Mr. Cowan, is now connected with the Monroe Democrate and is making things hum for Mr. Hancock, and is making things hum for Mr. Hancock.

The Lansing Journal says: Democrate are a unit everywhere for Hancock. Enthusiasm is at the bubbling point in every pleted 14 days of his fast at 12:30, and expected to go on to a fair choice. pected to go on to a fair choice of electors by the popular will, without at least the of his calumniators have mouldered into harmonious, enthusiastic and confident. most ardent desire to compass it by any forgotten dust. other method that would more surely guar-

Indeed, the tone of that letter, and the entred given it to the public, by the management of that rabid sheet, induce us to believe that the leaders at least, of the "Respected sir," replies the Atlanta (@a.)

No doubt these men are rightly approhensive of what the result would be. No doubt thousands of honest republicans would indignantly abandon the party, in case of such a high-handed procedure!

That Garfield Defence.:

The Republican person are paralling the half found the spirit is rise in the overt act when the spirit is rife in the camp? Diregard of the people sould not be more evident in the calling of the Legislature of the State of Michigan to choose electors, then in the proposition for such extra sension. The people are consulted secured younged the spirit of the crimical whom with the people are consulted secured younged the legislature of the State of Michigan to choose electors, then in the proposition for such extra sension. The people are consulted secured younged the legislature believed to the crimical whom mitter, the more we are convinced of the legislature believed to the legislature believed to

representatives. Congrespient tille and seuli would put whole administration out

callons as respects the desire of Congress house this afternoon about a mile below -at least all who lead and manage it.

(ieu. (iarfield's letter accepting the Re-The N. Y. World says that Garfield waves the bloody shirt so mildly, and it is of so pale a pink that it will not frighten anybody; that the latter will be a decided disappointment to stalwarts, and it is doubtful whether it will please independent vot-

The nomination of Hancock is bringing young men to the front, and they are engaging in the campaign with great earnestness. It is a very good sign to see the young Democracy active, and their efforts deserve recognition .- [Detroit Free Press.

J. L. Wright. gives the following, in addition to particulars given elsewhere in this paper : Lindsay was considered one of the best

drivers on the line, but had obtained liquor while waiting at the summit, and on entering the carriage, the party discovered that he was drunk. He alarmed them by his reckless driving, and with the exception of Miss Lamb, of Howell, Mich, they all got out and walked to the half-way house. As they knew that below that point the road lay through the woods and was perfectly safe, and as Mr. Chichester did not feel able to walk further, they reentered the carriage. The cook at the halfway house watered the horses, as the driver was two dennik to get down from his seat, and gave him one of the reins, which he

had let lett and was too trunk to recover the least well for had a mile, when in going down a steep grade the driver could not enough his feet sufficiently well to put it mathe heath, and the stage was crowded upon the horses. Then the horses began to run. Man Lamby who sat beads the driver tried to go you that helpless individual and apply the brake last could not dress. Coutby went at a parton rate half-til at a point about a mile below the half-til at a point about a mile below the half-til at a point about a mile below the halfway home ther come to a sharp curve, and

The clinical attendance was small (only

two patients) owing to the busy season. The subject for discussion at the next regular meeting is Malarial Fevers, and Dr. Holly, of Vernon, was appointed to prepare a paper on the subject. The next meeting of the society takes place the first Thursday in October.

Great Improvements at the Owosso Planing Mill-A New \$750 Ma-

Business is apparently flourishing at the Owosse planing mill. The proprietor Mr. L. E. Woodard, has just received an expensive machine for planing and polishing. The doors are run through a planer after they are pinned together, and are reduced to a uniform thickness and to a perfect plane and sand papered, at one operation, saving the labor of three men and doing the work more perfect. This is the second machine of the kind in Michigan 5 25 it cost \$750. This makes the Owosso planing mill the most thoroughly equipped of any in Michigan. It consists of two full 400 sets of sash and door machines, latest improved iron framed, all new machines

Owosso H. and E. Club.

Hon. J. W. Turner was called upon and made a short address, giving some of hi experience as delegate to the Nationa Convention at Cincinnati. Mr. Turner also stated that he had received a letter from Hon. B. O. Williams, on the occasion of the first meeting for the organization, regretting his inability to be present and his entire endorsment of the Presidential ticket. Following is the letter:

Owosso, June 29, 1880. Hon J. W. Turner:-My Dear Sir-Not being able, owing t prostrating attack of illness, to meet with our fellow citizens this evening to as alst, by an expression of my personal gratication at the result of the nominations of eld at Cincinnati, please in my name acent the thanks of our Democracy for your sacrifice of the necessary time and money o effect the object attained, to wit: the placing in nomination as a leader the pariotic soldier citizen, Gen. Hancock, who. I ike the old hero of New Orleans, bowed to he majesty of the civil law when armed with the strong arm of the military power. ader his lead the country is sure to be relaimed from the venal corruption that was reshadowed in the vote of over 300 parisans voting as one man, to foist upon the ountry a third term candidate, which, Shoe Store. hank God and the good sense of a majorty of the Republicans at Chicago, was not consummated, and the great stain upon consummated, and the great stain upon cour democratic institutions allowed to sucshould serve as important guides in the ceed. But is not this attempt sufficient to rational treatment of this disorder. He warn all lovers of liberty to be on their ceed. But is not this attempt sufficient to guard against political demagogues, who The discussion following was animated under another leader of the same party

B. O. WILLIAMS It was decided to hold Club meetings Saturday evenings, every alternate week, commencing July 17. The meeting was lively, and a settled determination to go in would be contra-indicated in malignant for solid, earnest work was manifest. The club now numbers about 250 members.

Owosso Debating Society

The regular meeting of the Owosso Deing at Good Templar's Hall. The question in dispute was, Resolved. That there is more to approve

than there is to condemn in the character of Oliver Cromwell. The disputants on the negative side were Willie Gould, Fred Retan, Jesse Shattuck; on the affirmative Mr. Louis Wilcox was the only speaker present.

Mr. Wilcox opened the debate with a few explanatory remarks in regard to the early life of Cromwell, but reserved his arguments until after the opposing side was page. Es For sale at the Music Rooms of C. E. heard from. Mr. Willie Gould took up the latter, followed by the two other negative BENEATH THE DEAR OLD FLAG AGAIN ive disputants, denouncing Cromwell ds a tyrant and a murderer. The debate was concluded by Mr. Wilcox, after which the judges conferred together for a few minuter, and gave their decision in favor of the negative; this was met with applause. The other exercises were dispensed with, and the selection of the subject for discussion at the next meeting, and the debaters there-

on, took place. The question is, Resolved. That there were just grounds Republican candidate for President. or the American Revolution. Affirmative, Jessie Shattuck, Nora Town negative. Willie Gould, Lasell Lyon. A motion was made to adjourn until

hext Friday night, and was carried. -It is reported that the Thayer House,

The strongest and purest Lye made. Will make 12 pounds of the best Perfumed Hard Scap in 30 minutes without builing.
The best water-softener made.
The best disinfectant.
The following are some of the advantages obtained by using Lewis 38 Per Cent. Powdered First. It is packed in an iron can with salip or removable lid, easily taken of and leaving the contents exposed, therebest in the world, received the HIGH. BUSINESS with other Lyes which, being sold in the case, must be broken with a nammer to get the Lye out.

Becond. It being a fine sale at Wholesale and Retail, by the lid and pone out all the contents, being always ready for MICH. S. M. & O. CO. Owosso,

SUBSCRIBE Third. A teaspoon of or more can be used, as in water-some of contents, etc., and the lid returned to the can, and thereby save the balance of contents. With other Lyes all must be dissolved at once and used in a short time, or the strength is gone.

Fourth. Absolute parity. Free from all adulterations.

Fifth. The best Soap can be made in from ten to twenty minutes with this Lye.

Slath. No failure is possible in making Soap with this Lye when the simple directions given are followed. One can of this Powdered Lye is equal to twenty pounds of Sal Boda or Washing Sods.
