He remembered that these visits involved no special extra labor; the whole household was not thrown into disorder and commotion, and half a week spent in cooking and preparing a sumptuous repast. The guests came at the hour set by the hostess, and not an hour or two later, or was too often the case at the Garrettsville parties. There was no ostentatious effort to make the affair pleasant, but somehow the hour for refreshments, which is generally such an agreeable break in the inonotony of fashionable gatherings, came all too soon. The supper was always simple, but delicately served, for Aunt Merton was too refined to admire the heavy and profuse overloading of a table, which assimilates to vulgarity. Ah! those were evenings of genuine sociability indeed, and Mr.

Darlington gave a sigh to their happy mem-He found on his return to dinner that wife had not been idle during the morning. The whole interior of the house presented The two younger children had been scouring the village to engage cream for the appronohing event. The second son had been
