The Troubles in Ireland - Opening of the Land Courts. London, Oct. 20.—The news from Ireland continues to be highly interesting. Additional arrests have been made including Mr. John Goodsell, the ex-secretary of the Limericks mechanics instistitute, Mr. William Dorris, the successor of Mr. Quinn, as secretary of the league, and Mr. Michael Power, a well known national leader. The general opinion is that these arrests are vexasweeping authority of the coercion act. It is rumored that the land league will now remove its quarters to Boulogne if

it finds it impossible to remain in Dub-Archbishop Croke has issued a pastoral letter in which he repudiates the manifesto of the land league, and he advo-cates payment of a fair rent. About 200 tenants in Menagh to-day paid their rent, thus disregarding the prohibition of the league. There is an impression, apparentl well founded, that the English land league is also to be coerced. The informa-

tion to this effect to-day was so direct and positive that the English land league has been notified by its managers to secrete all books, records and vouchers relating to its affairs. DENVER, October 18.—The Santa Fe New Mexican published a communication from Ville de Buena Vertana, Mexico, under date of September 30, giving an account of a fight with Indians on

the 25th ult., near that point. At 8 a.m. the chief authority of the town, immediately went in pursuit and overtook the Indians in canon De El Christo. In the fight which occurred the Mexicans lost eight horses killed and one man wounded. The Indian loss could not be ascertained. A Mexican woman of Cubero, N. M., and a Mexican boy aged 9 and joined the Mexican party. From them the following was learned: The Indian party consists of 12 bucks with their families, and they are a remnent of Victoria's band led by Victoria's brother. They have with them four other captives whose ages range from 7 to 16 years; spect. Their intention is to proceed to-
